25	Tarapur Atomic Power Station, Unit No. 3 & 4, Nuclear Power Corporation of India Ltd., Revenue Survey No. 11, 12,13, Vill. Akkarpatti, Tal. Palghar, Dist. Thane.			<p>It was decided to refer the matter to CPCB/MoEF & inform industry to obtain clarification from CPCB/MoEF.</p>
26	Amendment in the consent and extend the compliance period of M/s. Steel Authority of India Ltd.,Tal. & Dist. Chandrapur			<ol style="list-style-type: none"> 1. It was decided to not to consider the request of the industry to extend the time for compliance of the provision of APC system to the 1 MVA EAF as Board has already issued the Interim Directions vide dtd 19.12.2011 for the compliance of the same & till date industry has not complied the same. 2. It was decided to not to consider the request of the industry to waive the condition towards provision of STP of adequate capacity. The industry should provide adequate STP as the industry is generating 144 CMD sewage effluent. 3. It was decided to consider the request of the industry to amend the consent condition No. 7 regarding disposal of HW “Gas cleaning plant residue” by 100% agglomerated in

		existing sinter plant for utilization in furnace for ferro alloy production as per condition prescribed in C to E granted to the industry instead of disposal to CHWTSDF.
27	Request letter to waive the condition in the consent to Establish granted by Board to M/s. Cummins India Ltd., (Indian Part Distribution Center), Plot No. A-1, MIDC Survadil, Tal. Phaltan, Dist. Satara	It was decided to consider the request of the industry to waive the condition that "Industry shall not take any effective steps without obtaining Environmental Clearance since the total BUA is more than 20,000 Sq. mtrs" from the consent to establish granted by the Board vide consent dated 16.06.2014 as the condition is not applicable to industrial shed as per Notification of MoEF. It was also decided to return the BG of Rs. 10 lakh obtained for the condition that Industry shall not take any effective steps without obtaining environmental Clearance since total BUA is more than 20,000 Sq. mtrs.
28	Request letter to waive the condition in the consent to Establish granted by Board to M/s. Bharat Heavy Electricals Ltd., Power Equipment Fabrication Plant, Mundipar-Sakoli, Bhandara	It was decided that the request of the industry to waive the condition in the consent to establish granted by the Board that "Consent to establish will be operational only after obtaining Environmental Clearance from Competent Authority by the applicant and subject to the compliance of conditions stipulated in an Environmental Clearance including conditions which may be more stringent, if stipulated by/in the Environmental Clearance." as the condition is not applicable to industrial shed as per Notification of MoEF.
29	Request letter to waive the condition in the consent to Operate granted by Board to M/s. TATA Cummins Ltd., Plot No. A-1/2/1, MIDC Phaltan, Vill. Survadi, Tal. Phaltan, Dist. Satara	It was decided to consider the request of the industry to waive the condition of "Industry shall comply with EIA Notification 2006 as BUA is more than 20,000 Sq. mtrs" from the consent to operate granted by the Board vide consent dated 11.07.2014 as the condition is not applicable to industrial shed as per Notification of MoEF.

30	Request letter to delete the condition of Board Resolution & forfeiture of BG of M/s. Adani Power Maharashtra Ltd., Plot No. A-1, Tiroda Growth Center, MIDC Tiroda, Dist. Gondia	<p>Industry vide letter dtd 7.3.2015 has requested to consider their following requests & amend the consent;</p> <ol style="list-style-type: none"> As per condition No. 9 of the consent the industry to submit Board Resolution within 1 month from company Board towards setting up Fly ash Brick plant in the existing TPP premises without consent from the Board. <p>The industry has submitted their request stating that the said plant is being established in compliance of condition no. 2 of EC dtd 29.05.2008. The said plant is established for promoting fly ash utilization. The said plant is not established for commercial purpose.</p> <p>It was decided to consider the request of the industry & obtain undertaking from Plant Head of the industry instead of Board Resolution, as the said Fly Ash Brick plant is environment friendly plant for utilization of Fly Ash.</p> <ol style="list-style-type: none"> As per schedule-III, Para 3 of Forfeited History, Amount of BG to be forfeited is Rs. 10/- Lakhs. The purpose is Towards O & M of Air Pollution Control systems to achieve emission standards & as JVS stack out of 37 reports 8 are exceeding the standards & out of 10 AAQM samples collected 5 nos. are exceeding the standards. <p>The industry has submitted that the AAQM parameter shown exceeding limits in all reports is RSPM. The industry has stated that as per consent order, the industry has to achieve the National Ambient Air Quality standards prescribed vide GOI Notification dtd 16.11.2009 as amended and has requested to review the forfeiture of BG, which is based on monitoring of irrelevant parameter & requested to delete the said condition.</p> <p>It was decided to not to consider the request to review the decision of forfeiture of BG as some of the stack monitoring reports along with RSPM (PM10) are also exceeding the prescribed limits.</p>
31	To Waive of the condition of obtaining EC of M/s. Sterlite Technologies Ltd., MIDC Waluj	It was decided to consider the request of the industry to waive the condition of "Industry shall comply with EIA Notification 2006 as BUA

		is more than 20,000 Sq. mtrs” from the consent to operate granted by the Board vide consent dated 11.07.2014 as the condition is not applicable to industrial shed as per Notification of MoEF.
32	M/s. Sterlite Technologies Ltd., E-2/E-3, MIDC Waluj, Aurangabad	<ol style="list-style-type: none"> 1) It was decided to grant post-facto approval of CAC to the SCN issued on 13.03.2015 for dumping of HCl into Kham river 2) It is also decided to issue following directions under provisions of Water (Prevention & Control of Pollution) Act, 1974 as amended and impose BG of Rs 10 lakh for the compliance of the same: <ol style="list-style-type: none"> a. Industry, the by-product generator, should ensure that all the vehicles used to transport by-product to the vendor industry to be fitted with web based GPS system to record the origin to destination position and shall self monitor the compliance and submit monthly report to the Board. b. Industry shall obtain affidavit from vendors stating that the by-product purchased from PP is used as raw material in their respective industries. 3) Regarding the matter of safe disposal of HCL found in the seven tankers, RO shall inform the police that the matter is in their purview as the tankers have been detained by the police and FIR has been lodged bearing No 145/2015 on 28/2/2015 against the seven tankers disposing spent HCl Acid before the Waluj Police Station and order of Hon’ble Court is required.
33	Release of BG of M/s. Ghatge Patil Industries Ltd., Uchgaon, Tal. Karveer, Dist. Kolhapur	It was decided to return the BG of Rs. 5 lakh obtained towards compliance of conditional direction dated 23.11.2010 and BG of Rs. 5 lakh obtained towards installation of STP as industry has complied the same as reported by Regional Officer, Kolhapur vide letter dated 27.01.2015.
34	Proposal to grant amendment for inclusion of newly added coal fired 6 TPH boiler and 36KH HAG (stand-by) of M/s. Roha Dye Chem Pvt. Ltd., Plot No. 42, MIDC Dhatav, Roha, Raigad	It was decided to grant amendment for inclusion of newly added coal fired 6 TPH boiler and 36 KL HAG (stand-by) and change in coal consumption from 10 MT/D to 40 MT/D and reduce oil consumption from 24 MT/D to 4 MT/M. Also industry shall submit BG of 5 lakhs towards achieving consented standard.

35	Request to grant NOC for disposal of contaminated soil containing Hz waste category B6/B2 silica sludge containing nickel to Trans Thane creek Waste Management Association which was previously land filled in the premises of M/s. Monarch Catalyst Pvt. Ltd., Plot No. F-1/1 & F-1/2, MIDC Phase-I, Dombivli (E), Dist. Thane.	It was decided to grant NOC for disposal of contaminated soil to MWML for remediation, as per the area allocation guidelines of MPCB for the Hz waste disposal and submit BG of Rs. 10 lakh towards compliance of conditions of NOC.
----	---	--

General Points:

1. It is learned from the reliable sources that some small healthcare units are disposing Bio-Medical Waste illegally and in unscientific manner. It was decided that Principal Scientific Officer to prepare monitoring protocol and place before next.
2. CAC deliberated on the measures to be adopted for control of fugitive emissions arising from cement, mining and similar type of industries and it was decided to direct such type of industries to make use of chemical (MgCl) dust suppression method or any other alternative technology for use of water, wherein the dust is suppressed for longer period without causing much pollution and hazards to the soil.
3. A policy note to be place before next CAC meeting regarding merits, demerits, difficulties, strategy etc for discharging treated effluent, after meeting consented standards, from the Outlet of ETP of Large Scale Industries (with definition / type of units to be included in Large Scale) at the final outlet discharge point of the Common Effluent Treatment Plant with online monitoring facility. **Action by- AST**
4. Henceforth all the consents to be granted to industries listed in 17 category shall be prescribed with online monitoring conditions as per CPCB directions.

The meeting ended with a vote of thanks to the chair.
