Appeal No.30/2016 therefore cannot be entertained and stands rejected accordingly with no order as to costs."</p> <p>Committee further noted that The Hon'ble High Court of Judicature at Mumbai has passed an order in PIL NO 102 of 2014 filed by Surendra Waman Dhawale with Writ Petition No 13483 of 2016 wherein it was observed that the PIL was filed in the year 2014 when the Plant in question had permission for capacity of 5 Million Tones Per Annum and now the expansion is sought from 5 MTPA to 10 MTPA. By this time the Plant is already established for generating 5 MTPA. The Counsel for the Petitioner has submitted that the construction was in progress when PIL was filed and fact remains that there was no Interim Order which would come in way of establishment of initial plant and even if the plant is established by violating any of the CRZ regulations, the PIL can be entertained. Therefore completion of initial plant having capacity of 5 MTPA would not come in the way of deciding said PIL.</p>
