AGENDA PART - I

CAC Item No. 01

Name of the industry : M/s. Sona Alloys Pvt. Ltd.
Plot No. C-1, MIDC Lonand,
Tal. Khandala, Dist. Satara

HOD Remarks :-

- Applied for renewal of consent to operate
- Application received at SRO- Satara on dtd 29/09/2011 and at HQ on 13/02/2012.
- Previous consent was valid up to 30/11/2011
- Industrial effluent is NIL
- Domestic effluent generation is 20.0 CMD. For which sewage treatment plant provided
- SRO –Satara reported that industry located an air pollution potential prone industry, where there is lot of fugitive emissions observed at various stages/place of mfg right from raw material , storage, loading/unloading & its feeding point to final product
- Industry has provided air pollution control system as an ESP to main exhaust & Cooler/crusher unit and deducting units with bag filters at various place, however its operation & maintenance is not satisfactory.
- SRO reported that lot of complaint received from Sarpanch Grampanchyat Golegaon village, Panchayat Samiti Khandala & SDO Wai about the air pollution problem.
- RO Pune has recommended the case for grant of renewal of consent by imposing the condition given in interim direction.
- The case was discussed in the Consent Appraisal Committee meeting held on 20/03/2012 and the Consent Appraisal Committee has decided to issue SCN for refusal of consent due to non-compliance of conditions stipulated in consent and Environmental Clearance specifically regarding provision of secondary emission control system. Also, the stack emission level highly exceed the norms. SCN issued on 28/03/2012
- Industry replied the same on 02/04/2012
- We may grant the consent with condition that
 1. To provide secondary emission control system within next 1 year with B.G. of Rs. 10 Lakhs
 2. To provide adequate APC at all material handling units , junction box, strigent water sprinkling arrangement within next 4 months with B.G. of Rs. 5 Lakhs

3. To provide opacity meters to all the steps & CAAQM within next 4 months with B.G. of Rs. 2 Lakhs
4. To take B.G. of Rs.. 5 lakhs towards achievement of consented standards

We may place the consent application before CAC for further consideration.

CAC Item No. 02

Name of the industry : M/s. Sona Alloys Pvt. Ltd.
Plot No. C-1, MIDC Lonand,
Tal. Khandala, Dist. Satara

HOD Remarks :-

- Applied for renewal of consent
- Application received at SRO- Satara on dtd 18/12/2011 and at HQ on 01/03/2012.
- Previous consent was valid up to 30/11/2011
- Industrial effluent is 34 CMD. For which ETP provided
- Domestic effluent generation is 0.76 CMD. For which sewage treatment plant provided
- industrial effluent generated form cooling blow down, D.M. plant regeneration is utilize for hot slag cooling at slag granulation pond.
- RO –Pune reported that industry located an air pollution potential prone industry, & lot of complaint received from Sarpanch Grampanchyat Golegaon village, Panchayat Samiti Khandala & SDO Wai about the air pollution problem.
- RO Pune has recommended the case for grant of renewal with amalgamation subject to submission of Rs. 25000/- towards increase in capital investment & commitments towards provision of air pollution control system at boiler stack
- The case was discussed in the Consent Appraisal Committee meeting held on 20/03/2012 and the Consent Appraisal Committee has decided to issue SCN for refusal of consent due to non-compliance of conditions stipulated in consent and Environmental Clearance specifically regarding provision of secondary emission control system. Also, the stack emission level highly exceed the norms. SCN issued on 28/03/2012
- Industry replied the same on 02/04/2012
- We may grant the consent & amalgamate with main plant consent
- We may place the consent application before CAC for further consideration.

CAC Item No. 03

Name of the industry : **M/s. Spicer India Limited,**
29, Milestone, Pune- Nashik Road,
Vill. Kuruli, Tal.Khed. dist. Pune

HOD Remarks :-

- Applied for renewal of consent
- Application received at SRO- Pune on dtd 27/01/2012 and at HQ on 06/03/2012
- Previous consent was valid up to 31/03/2012
- Industry is generating 19 CMD effluents for which Industry has provided two no.ETP. up to secondary stage.
- Industry is generating 62.0 CMD of domestic effluent for which Industry has provided STP
- Industrial treated industrial effluent after secondary treatment is mixed with domestic effluent before filtration stage.
- Industry has provided necessary air pollution control system to D.G. Set and LPG fired furnace
- Industry not provided VOC control system to paint booth
- Regional officer of Pune has recommended for refusal of consent
- The case was discussed in the Consent Appraisal Committee meeting held on 20/03/2012 and the Consent Appraisal Committee has decided to issue SCN for refusal of consent for non-disposal of H.W. to CHWTSDF and not providing APC system to paint booth as per consent conditions. SCN issued on 28/03/2012
- Industry replied the same 02/04/2012
- We may grant the consent for period up to 31/03/2017 with condition that 1) Industry shall obtain the Membership of CHWTSDF Ranjangaon within 3 weeks with B.G. of Rs. 1 Lakhs. 2) Industry shall provide APC to paint Booth within next 4 months with B.G. of RS. 5 Lakhs
- We may place the consent application before CAC for further consideration.

CAC Item No. 04

Name of the industry :

**M/s. Mercedes-Benz India Private Limited,
Plot No. E-3, MIDC Chakan,
Phase-III, Kuruli and Nighoje,
Tal. Khed, Dist. Pune 410 501**

HOD Remarks :-

- Applied for renewal of consent
- Application received at SRO- Pune on dtd 10/02/2012 and at HQ on 03/03/2012
- Previous consent was valid up to 28/02/2012
- Industrial effluent increased from 1 CMD to 10 CMD which is due to washing of stocked car
- Domestic effluents increased from 70 CMD to 100 CMD which is due to increased in staff/workers
- JVS analysis result of Moef approved lab on dated 31/03/2011 is under prescribed limit
- Industry has not provided APC to paint booth
- RO Pune has recommended the case for grant of renewal of consent for period up to 28/02/2015 by extending personal hearing about above non compliances.
- The case was discussed in Consent Appraisal Committee held on 20/03/2012 & decided to issue SCN for refusal of consent as industry has not provided air pollution control system to the paint booth and H.W. quantities in Form -IV are not commensurate with the production quantities. SCN Issued on 28/03/2012.
- Industry replied the same on 02/04/2012
- We may grant the consent up to 28/02/2015 with condition that Unit shall provide adequate APC system to control VOC within next 4 months with B.G. of 5 Lakhs.
- We may place the consent application before CAC for further consideration.

CAC Item No. 05

Name of the industry : **M/s. Bharat Forge Ltd.**
Gat No. 635, Kuruli, Tal. Khed,
Dist Pune

HOD Remarks :-

- Applied for renewal of consent
- Application received at SRO- Pune on dtd 22/10/2011 and at HQ on 06/03/2012.
- Previous consent was valid up to 30/11/2011
- Generation of industrial effluent is 8 CMD. Industry has provided 30 CMD capacity ETP.
- Generation of industrial effluent is 28 CMD for which industry has provided 50 CMD STP
- JVS result of submitted on dated 31/05/2011 & 09/03/2011. In which shows that parameter BOD, COD & sulphate level is exceeding the prescribed limit.
- Industry has provided dust collector system to shot blasting machine
- RO Pune has reported that industry has installed over designed ETP & STP & not in operation as per recent visit report & need to be revamping.
- RO Pune recommended the case for grant of renewal of consent by extending personal hearing above mentioned non compliance.
- The case was discussed in the Consent Appraisal Committee meeting held on 20/03/2012 and the Consent Appraisal Committee has decided to issue SCN for refusal of consent for over-designing of ETP/STP and non-operating the same and having inadequate land for disposal of treated effluent. SCN issued on 28/03/2012
- Industry replied the same on 02/04/2012
- We may grant the consent up to 31/11/2013 with the condition that unit shall revamp the STP/ETP within next 3 months period with BG of Rs. 5 Lakhs
- We may place the consent application before CAC for further consideration.

CAC Item No. 06

Name of the Industry : M/s. Mahalaxmi TMT Pvt. Ltd.,
C-2, B-1/4, Deoli MIDC, Tal: Deoli,
Dist: Wardha.

HOD Remarks : -

1. Applied for Consent to 1st Operate for Reduced Briquette Sponge Iron – 200 TPD Plant. RED/LSI Category.
2. Industry has obtained consent to establish for reduced briquette sponge Iron – 800 TPD and Iron Ore Benefication Plant. Both plant are located in same factory premises.
3. Regional Officer, Nagpur vide letter dated 24.01.2012 has recommended forfeiture of bank guarantee of Rs.5 Lakhs due to following non-compliances;
 - i) Analysis results of stack monitoring are exceeding the standards.
 - ii) Industry has not provided secondary emission control system. During the visit of Board officials, gaseous emission from the secondary process was emitted into the environment from the shed of the factory.
4. I/c. SRO, Nagpur-II reported that Board official visited to the industry and observed that they have erected two kilns and these kilns are ready for commissioning. Industry proposed to use producer gas as a fuel in the kiln and they have provided falsifier for the same. Bag filter followed by chimney is provided for air pollution control system.
5. Capital Investment of reduced briquette sponge iron plant of 200TPD is Rs.45 Crore. Total capital invest of the industry is Rs.162.59 Crore. Industry has submitted consent fee of Rs.70,000/-. However, additional consent fee of Rs.5,000/- required to be submitted by industry for the consent period up to 31.01.2013 as per the revised consent fee circular dated 25.08.2011.
6. Discussed in CAC dated 02.03.2012 and it was decided to issue SCN for refusal of consent for non-compliance of consent conditions. Accordingly the Show Cause Notice was issued vide letter No. BO/ MPCB/JD(APC)/NG-6113-11/SCN/TB-1/B-1602 dated 14.03.2012.
7. Industry submitted the reply of show cause notice stating that;
 - i) Work of installation of Secondary Emission Control System of existing SMS unit is in final stage of completion and will be completed before 05.04.2012.
 - ii) Ordered the CAAQMS and online Stack monitoring system will be installed within 4 months

In view of above Recommended for grant of consent Operate for Reduced Briquette Sponge Iron 200 TPD for the period up to 31.01.2013 with Conditional Bank Guarantee of Rs.5,00,000/- towards operation and maintenance.

CAC Item No. 07

Name of the Industry: M/s. Western Coalfields Ltd.,
Padmapur Open Cast Sub-Area,
P.O.: Padmapur, Dist: Chandrapur.

HOD Remarks : -

1. Applied for plain renewal of Consent for 3 years with no change in consented coal production i.e. 2.5 Million Ton/Year.
2. Earlier consent for mining of coal 2.5 MTPA was valid up to 31.03.2012.
3. Capital Investment of the Industry increased from Rs.167.10 to Rs.172.92 Cores. Industry has submitted consent fee of Rs.40,97,520/- for the period up to 31.3.2015.
4. Domestic Effluent is 24 CMD. Septic Tank provided. Industrial Effluent is 4125 CMD including mine discharge. Mine water is used for spraying of water on roads and balance water is discharged into nearby nalla after treatment in sedimentation tank. ETP is provided for workshop effluent.
5. Analysis results of ambient air quality monitoring carried out between 21.1.2011 to 23.06.2011, shows parameter RSPM & SPM are exceeding the standards hence mine authority needs to improve the O & M of existing pollution control system.
6. Earlier the case was discussed in CAC dated 2.3.2012 and it was decided to issue SCN for refusal of consent as industry is exceeding AAQM results and thereto non compliance of consent conditions.
7. Accordingly, Board had issued SCN vide letter dated 14.3.2012.
8. Industry has submitted the reply of SCN vide letter dated 3.4.2012.

Recommended renewal of consent for the period up to 31.03.2015 with conditional BG of Rs.10.0 Lakhs towards O & M of Pollution control system.

CAC Item No. 08

Name & Address of the Industry : M/s. Ultratech Cement Ltd.,
P.O. Awarpur, Tal korpana,
Dist. Chandrapur

HOD Remarks :-

1. Industry has applied for renewal of consent along with amalgamation of two consents for existing cement & Coal washery unit respectively with expansion in cement production.

Industry has applied for amalgamation of the consents for the following products for three years i.e for the period up to 31.3.2015.

- a) Portland Cement 3,73,000 MT/Month (I.e 4.48 Million Ton per Year)
 - b) Lime Stone 4,16,500 MT/Month (I.e 5.0 Million Ton per Year)
 - c) Electricity 3 X 23 MW.
 - d) Clean Coal 59,167 Mt/Month (I.e 0.71Million Ton per Year)
 - e) Middling 31,667 Mt/Month (I.e 0.38Million Ton per Year)
 - f) Rejects 9,166 Mt/Month (I.e 0.11Million Ton per Year)
2. Industry has proposed to increase in cement production from 3.9 Million metric Ton per Year to 4.48 Million metric Ton per Year (net increase is 0.58 Million metric Ton per Year)by increasing fly ash addition by investing additional investment of Rs 8.34 Crores and **obtained Environmental Clearance from the MoEF, GOI ,vide letter dated 2/08/2010.**
 3. Total Gross Block of Fixed Assets of entire industry has shown in Rs. 9,615,906,810.29 as per CA certificate. Submitted consent fee of Rs 57,69,644/- for three years as per new Consent Fee GR dated 25.8.2011.
 4. Since Gross Block investment is increase from Rs 851.16 Crores to 961.59 Crores, **additional consent fee of Rs. 2,20,868/- for increase in capital investment of Rs. 110.43 crore shall be submitted by industry.**
 5. Earlier the case was discussed in CAC meeting held on 2.3.2012 and it was decided to issue show cause notice for refusal of consent as the industry is exceeding the stack and AAQM results to consented norms and thereto non-compliance of Consent Conditions.
 6. Accordingly Board has issued Show Cause Notice vide letter dated 14.03.2012.
 7. Industry has submitted the reply vide letter dated 22.3.2012 received on 28.03.2012.

In view of above we may renew the Consent up to 31.03.2015 with the condition that the unit shall submit the Bank Guarantee of Rs.50 Lakhs against the achievement of Standards within next 2 years and completion of all the above works within 2 years.

CAC Item No. 09

Name of the Industry: M/s. ISTA Hospitality,
Sr. No. 206-A/1 to E,
Pune-Nagar Road, Pune.

HOD Remarks:

1. Applied for grant of **Renewal of consent** for hotel activity Swimming Pool & Laundry activity (209 Rooms) for built-up area is 12809.43 sq. m.
2. Application received at RO on 02.09.2011 and at HQ on 02.01.2012.
3. Previous consent was valid upto 31.08.2011.
4. The sewage effluent generated is 286 CMD, which is treated in their STP (capacity- 300 CMD) which comprises bar screen, ET, aeration tank, clarifier, filter press, ACF, PSF & SDB and the treated effluent is reused for flushing & gardening purpose. SRO has not submitted the JVS analysis results.
5. The bio-degradable waste generated is treated in organic converter and used as manure for gardening.
6. SRO reported that applicant have provided oil catchers to kitchen exhaust.
7. Also, reported that **C.I. increased from Rs. 122 Crs. to Rs. 203 Crs.** and accordingly, consent fees for consent to establish & 1st operate needs to recover from applicant. Applicant have not paid adequate consent fees presently.
8. RO-Pune issued SCN to the applicant on 26.12.2011 for not submitting CA-certificate, not paying fees, details of ETP/STP, Env. Stmt., Cess returns/payment details, etc.
9. The case was discussed during CAC meeting held on 31.01.2012 and it was decided to issue SCN for refusal of consent as applicant have not replied to the SCN issued by RO on 26.12.2011 and not paid the consent fees. SCN was issued on 06.02.2012. Further it was discussed in CAC meeting held on 02.03.2012 and it was decided to process the reply received and resubmit the case in next CAC.
10. SRO-Pune-I forwarded the industry reply wherein mentioned that increase in gross block C.I. is due to the reason that project was not completed. Now, total hotel building and internal work is completed, hence, investment is raised to Rs. 203 Crs. and paying differential consent fees on increased investment. There is no increase in total area & no. of rooms that were mentioned in consent dtd. 04.01.2011.
11. UV-Plant for treatment of swimming pool is already provided.
12. Consent may be granted upto 31.08.2012 after payment of consent fees as per revised consent fee circular dtd. 25.08.2011

CAC Item No. 10

Name of the Industry: M/s. Chalet Hotels Ltd.,
CTS No. 71A, 72B/A, 72B/C, 72A/B,
72B/B, and 71B Villae Paspoli,
Near Chinmayanand Ashram,
Saki Vihar Road, Powai, Mumbai

HOD Remarks:

1. Applied for grant of consent for **hotel activity** for **Amalgamation of Renewal of consent (Phase-I & II)** for residential hotel activity having **764 rooms** including restaurant and banquet hall.
2. Application received at SRO on 04.10.2011 and at HQ on 19.01.2012.
3. The **case was discussed during CAC meeting held on 31.01.2012** and it was decided to issue SCN for refusal of consent as applicant have not provided ETP & STP of adequate capacity and exceeding the norms and for non-payment of consent fees. Also, call RO report regarding ETP/STP details i.e. treatment & disposal of effluent phase-wise. SCN for refusal of consent was issued on 06.02.2012 & RO/SRO report was called on 06.02.2012 & 28.02.2012.
4. Applicant have submitted the reply on 17.02.2012 and 02.04.2012 and corrected details regarding no. of phases, consent obtained, effluent generation & treatment, consent fees are noted.
5. Obtained Environmental Clearance for Phase-III includes addition of 4 floors over building no. (2), building no. (3) and hotel building no. (4).
6. As per EC, C.I. of phase-III is Rs. 553.80 Crs. and in consent to Establish it is mentioned as Rs. 533.80 Crs. The same was clarified by applicant during the discussion on 29.03.2012 and informed that total C.I. of phase-III project is Rs. 553.80 Crs., hence, consent fees of Rs. 20,000/- for consent to Establish needs to be obtained.
7. Applicant have informed that part of phase-III of 44 no. of rooms having C.I. Rs. 15.41 Crs. was taken in operation from 2008 and obtained the consent in phase-II only but C.I. of part was not covered in consent. Hence, consent fees of Rs. 50,000/- per year from 2008-2011 needs to be obtained.
8. Applicant has submitted the DR receipt of Rs. 17.5 Lakhs paid at RO-Mumbai on 01.04.2010.
9. We may call industry representative for clarification of point no. (3), (5), (6) & ETP/STP treatment before CAC, if approved Consent may be granted upto 28.02.2014.

CAC Item No. 11

Name of the Industry: M/s. Ascent Hotels Pvt. Ltd.,
32/1A&B, Weikfield IT Park,
Wadgaonsheri, Tal. Haveli, Pune.

HOD Remarks:

1. Applied for grant of consent for **hotel activity** for 5-star hotel having swimming pool & Laundry activity for built-up area is 27,403.21 sq.m. and total plot area of 15,224 sq.m.
2. Application received at SRO on 03.03.2011 and at HQ on 02.01.2012.
3. The consent to Establish was granted on 02.06.2006 for hotel with the condition of obtaining Env. Clearance, as per EIA Notification, 2006 and the applicant have obtained Environment Clearance for the same on 23.01.2007.
4. The sewage effluent generated is 189 CMD, which will be treated in their STP and trade effluent 7.40 CMD will be treated by primary followed by tertiary treatment and further it is mixed in STP. The treated effluent is reused/recycled for flushing & gardening purpose. The area available for disposal of treated effluent is 15,224 sq.m. i.e. 3.76 acres.
5. Industry has provided ozonation treatment for swimming pool.
6. The bio-degradable waste generated will be treated by composting.
7. SRO had issued letter to industry on 18.03.2011 & 20.04.2011 for non-compliances and RO has issued SCN for operating hotel without consent & without provision of ETP. Industry has replied the SCN and RO reported that they have provided necessary pollution control system. Further, RO has called explanation from SRO-Pune-I for forwarding application to RO after 9 months period.
8. **CA-certificate dtd. 05.01.2011 shows that C.I. is Rs. 264.47 Crs. and accordingly paid the fees. However, CA-certificate dtd. 05.01.2010 shows that C.I. is Rs. 387.19 Crs.**
9. The case was referred to CAO on 04/01/2012 for guidance on which CA-Certificate is correct. checking the CA Certificate and he has recommended that now C.I. of industry is increased compare to the consent to Establish, hence, called previous C.I. details of industry. Letter issued to the industry on 17.01.2012, reply not yet received.
10. The case was discussed during **CAC meeting held on 02.03.2012** and it was decided to process the reply and resubmit the case in next CAC.
11. Applicant has submitted the reply vide letter dtd. 02.03.2012 & 03.04.2012, wherein mentioned that they do not have details of C.I. which was given at the time of C to E. Now, their total project cost increased due to increase in material costing and total C.I. is Rs. 332.49 Crs. Submitted CA certificate. They are ready to pay necessary difference in fees.

12. Meanwhile, RO-Pune has forwarded file with the recommendation for initiation of stringent action due to non-compliance of non-submission of reply to SCN, non-payment of cess, etc.
13. Consent may be granted upto 15.03.2013 after obtaining necessary consent fees.

9. Recommended case for grant of consent to operate for the period up to 28.02.2014 subject to following conditions:
 - I. Industry shall install STP within 6 months period and submit the B.G. of Rs.5 Lacs towards installation of the same.
 - II. Industry shall achieve 5 BOD standard all time with the operational B.G.of Rs.5 Lacs.
 - III. Industry shall provide 3 CAQMS within next 4 months with the B.G. of Rs.5 Lacs.

CAC Item No. 29

Name of the industry : M/s. Piaggio Vehicles Pvt. Ltd.,
E-2 & F-1, MIDC Baramati,
Tal. Baramati, Dist. Pune 413 133

HOD Remarks :-

- Applied for renewal of consent and 1st consent to operate for expansion with amalgamation
- Application received at SRO-Pune-I on dtd 06/02/2012 and at HQ on 30/03/2012.
- Industrial effluent is 490 CMD for which ETP provided.
- Domestic effluent 326 CMD treated in STP
- Industry has submitted JVS water analysis result dated 31/08/2011, 12/07/2011 & 29/09/2011. This is under prescribed limit.
- RO Pune has recommended the case for consent to operate with amalgamation by extending personal hearing at HQ level & imposing appropriate B.G towards the timely compliances of on line monitoring system to the major stack & CAAQM system.
- We may grant the 1st consent to operate for period upto 31/03/2013 with condition 1) Industry shall install necessary APC to paint booth within next 3 months with B.G. of RS. 2 Lakhs 2) the unit shall install CAAQM within 4 months with B.G. of Rs. 5 Lakhs
- We may place the consent application before CAC for further consideration.

CAC Item No. 30

Name of the industry : **M/s. Piaggio Vehicles Pvt. Ltd.**
F-19, MIDC Baramati, Tal. Baramati,
Dist. Pune 413 133

HOD Remarks : -

- Applied for 1st consent to operate
- Application received at SRO-Pune-I on dtd 05/01/2012 and at HQ on 30/03/2012.
- Industrial effluent is 60.30 CMD for which ETP provided.
- Domestic effluent 45 CMD treated in STP
- RO Pune has recommended the case for 1st consent to operate by extending personal hearing at HQ level & imposing appropriate B.G. towards the timely compliances of on line monitoring system to the major stack & CAAQM system.
- We may grant the 1st consent to operate for period upto 31/03/2013
- We may place the consent application before CAC for further consideration.

CAC Item No. 31

Name of the industry : **M/s. J.C.B. India Limited,**
Plot No. A & B, Talegaon,
Floriculture & Industrial Park,
Vill. Ambi Navlakh Umbre
Tal. Maval, Dist. Pune

HOD Remarks :-

- Applied for consent to establish for expansion
- Application received at SRO- Pune-II on dtd 28/12/2011 and at HQ on 22/03/2012.
- Existing plant consent is valid up to 31/07/2013
- Generation of industrial effluent will be NIL
- Domestic effluent generation is (existing 108 CMD + Proposed 72 CMD)
- Industry has proposed to provided sewage treatment plant of 100 CMD for treatment of Domestic effluent
- JVS analysis result on dated 14/11/2011 is under prescribed limit of existing unit
- Industry has proposed to provide necessary air pollution control system
- RO Pune has recommended the case for grant of consent to establish for expansion in existing unit
- We may grant consent to establish for expansion
- We may place the consent application before CAC for further consideration.

CAC Item No. 32

Name of the Industry : **M/s. Zamil Steel Building (I) Pvt. Ltd.**
Plot No. B-32/2, MIDC, Ranjangaon,
Pune 412 209

HOD Remarks : -

- Applied for Renewal of consent
- Application received at SRO-Pune on dtd 05/12/2011 and at HQ on 22/03/2012.
- Previous consent was valid up to 30/11/2008
- Industrial Effluent is NIL
- Domestic Effluent Generation 30 CMD for which industry has provided sewage treatment plant
- Industry has submitted JVS water analysis result of dated 15/02/2012 Which is under prescribed limit.
- Industry has provided air pollution control system
- Industry has provided Dry scrubber provided to paint booth & dust collector & bag filter for shot blasting section
- RO Pune has recommended for grant of renewal of consent for period up to 30/11/2012
- We may grant the consent for period up to 30/11/2012 with condition B.G. of 5 Lakhs towards Operation & maintenance of pollution control system
- We may place the consent application before CAC for further consideration.

CAC Item No. 33

Name of the Industry: M/s. Wokhardt Hospitals Pvt. Ltd.,
Dr. Anand Rao Nair Marg,
Byculla, Mumbai.

HOD Remarks:

- a. Applied for grant of **consent to Establish for construction of Hospital (320 No. of Beds and Cafeteria/canteen).**
- b. Application received at SRO on 3.11.2011 and at HQ on 17.03.2012.
- c. The total built-up area 25,015.26 sq.m. and total plot area is 3586.98 sq.m.
- d. Applicant requires to obtain Environmental Clearance as per EIA Notification, 2006 and obtained the same.
- e. Applicant have started construction activity without obtaining consent as previously they had approved plan for 7,868.06 sq.m. BUA and said does not require Environmental Clearance. SRO reported that they have completed 21 storey building of hospital with partly plumbing/ flooring. And SRO recommended to issue SCN for the same.
- f. The effluent generated from the said activity will be sewage – 242 CMD and proposed to provide STP (capacity-325 CMD) and treated effluent will be reused for flushing, cooling purpose and remaining treated effluent is disposed off into the sewer line.
- g. The bio-degradable waste generated will be segregated and disposed to MCGM. And non-biodegradable waste will be send to authorized vendor. They have proposed to provide vermin-composting pits for biodegradable waste.
- h. RO reported that applicant have proposed rain water harvesting.
- i. The C.I. of project mentioned in EC is Rs. 100 Crs. and in the application it is mentioned as Rs. 208 Crs. Applicant have submitted the clarification as earlier medical equipment cost did not included in C.I. and escalation in project cost is due to the time lapsed between 2008 and now and paid consent fees accordingly.
- j. As this is the construction of Hospital with canteen, category of consent and consent granting authority needs to be defined. As per CPCB revised product category, Hospital comes under RED category. There are similar activities in Hospital & Hotel such as laundry activity, canteen, sewage waste, biodegradable waste. So, we may consider hospital in Red category and Hotel.
- k. Consent may be granted upto commissioning of the unit.

AGENDA PART – II

CAC Item No. 01

Name of Industry : M/s. GAIL India Ltd (LPG Recovery Plant)
Malyan at USar, Tal-Alibuag, Dist – Raigad

HOD Remarks : -

1. Application received at RO Raigad 16/01/2012
2. Application recd at HQ 16/03/2012
3. Product- Mfg of LPG.
4. Earlier the case was discussed in CAC meeting held on 20.03.2012, the case was deferred, and it was decided to submit in next CAC.
5. Industry reported that, at present there is no liquid effluent is generated due to not receiving of Natural Gas in full capacity. It is operating 35 % of installed capacity.
6. Primary and Secondary system provided for treatment.
7. Disposal- For gardening within premises, land available 50 Hectors.
8. SRO Raigad -II has recommended for renewal of consent.

Consent may be renewed upto 28.02.2013 .

CAC Item No. 02

Name of Industry : M/s. Bharat Petroleum Corporation Limited,
Refinery, Mahul, Mumbai.

HOD Remarks : -

- An existing industry, applied for renewal.
- CI is Rs. 4826.48/- Crore
- Consent valid up to 30/04/2012.
- The industry has provided treatment facility up to tertiary level followed by RO for generation of indl. efflt.2856 CMD from process,458186CMD sea water blow down ,& 146319 CMD Sea cooling water blow down. Disposal- partly reused & partly discharged in to Mahul creek.
- Generation of domestic effluent is 235 CMD, . JVS results are fluctuating, ie BOD, COD & SS are in higher side. disposal in to Mahul creek. HW. Disposal by CHWTSDF.
- Water cess paid up to June 11.
- The Board Officials observed various non compliances viz.Industry has discontinued operation since last three years, ETP O & M is poor, domestic waste water discharged directly in to Mahul Creek, Untreated Sea cooling water discharged in to Mahul creek. Industry has not taken adequate measures for controlling emissions of VOC etc. RO Mumbai has issued SCN vide letter dtdf 14.02.2012. Industry has not submitted reply accordingly.
- compliance report asked to submit regarding SCN which is awaited from RO Mumbai vide this office letter dtd30.03.2012
- Consent fees paid for one year period.
- The case can be consider after receipt of RO's report.

CAC Item No. 03

Name of the Industry: M/s. The Leela Kempinski Sahar,
Plot No. 1407(pt), 1405(pt), 1404(pt),
Sahar, Andheri(E), Mumbai.

HOD Remarks:

1. Applied for grant of **Renewal** of consent for **hotel activity** including 395 rooms including lodging activity.
2. Application received at SRO on 21.10.2011 and at HQ on 07.01.2012.
3. Previous consent was valid upto 31.08.2011.
4. The trade effluent generated from the said activity is 132 CMD (Previous consent- 126.5 CMD), which is being treated in primary ETP and then connected to STP. The domestic effluent is 196 CMD (previous consent- 300 CMD), which is being treated in the STP and the total treated effluent is reused for flushing, cooling purpose and remaining treated effluent is disposed off into the sewer line.
5. JVS analysis results dtd. 14.07.2010, 15.10.2011 found within norms.
6. Provided stack of adequate height to DG Set, Boiler.
7. Provided adequate exhaust system at all sections/points The bio-degradable waste generated is disposed to MCGM.
8. Applicant have submitted Environmental Statement for period 2009-10 and Cess paid upto 22.06.2011.
9. SRO has communicated certain discrepancies to the applicant on 11.11.2011 regarding increase in C.I. & other details but they have not replied the same till date.
10. **RO/SRO recommended the case for grant of renewal of consent after receipt of audited annual balance sheet and obtaining necessary consent fees.**
11. The case was discussed during **CAC meeting held on 23.01.2012** and during the meeting, it was decided to issue SCN for refusal of consent as industry has not replied to letter issued by the SRO on 11.11.2011. SCN issued on 06.02.2012 and industry has submitted the reply on 27.02.2012 & 03.04.2012, following points are noted;
 - a) Submitted CA certificates from 2007 to till date, however, C.I. mentioned is found reduced to previous year and they have mentioned that the difference in gross block C.I. over the years is due to fluctuation of the foreign exchange rate of the assets purchased under foreign loans. They are ready to pay the requisite consent fees. Current year C.I. is Rs. 318.34 Crs.
 - b) C.I. is increased from Rs. 196 Crs. to 318.34 Crs. but there is no modernization/expansion of the hotel.

CAC Item No. 05

Name of industry : **M/s. Bombay Rayon Fashion Ltd.,**
Plot No. B-95,, MIDC, Tarapur,
Tal. Palghar, Dist. Thane

HOD Remarks : -

- Industry has applied for Consent to ist. Operate ..
 - Textile Processing industry.
 - Application received at SRO Tarapur 24.05.2010 and at HQ 10.08.2010.
 - Provided Primary & tert. treatment facility. Treated effluent will be recycled/reused for cooling tower, toilet flushing.
 - Dust Collector to Coal fired Boiler
 - Member of CHWTSDF.
 - Consent was refused
 - Ind will achieve Zero discharge.
 - Effluent recycled to Humidification , toilet flushing,& cooling tower.
 - We may reconsider the request & grant consent to operate.
- .

CAC Item No. 06

Name of industry : **M/s. Ruchi Soya Industries Ltd.,**
Patalganga, At –Esambe – Kharpada Road, Tal. – Khalapur, Dist. -
Raigad

HOD Remarks : -

- Applied for 1st Operate for increase in production and amalgamation with exiting Consent which is valid till 31/10/2012.
- Application received at SRO on Dt.17/11/2011 and at HQ on 23/02/2012.
- Edible oil refinery with increased in production quantity (from 17500 T/M to 35000 T/M).
- The Capital Investment of the Industry is Rs. 223.81 Crore.
- Industry has obtained C to E on 11/10/2011 for refined oil- 17500 MT/M.
- Industrial effluent generation -90 CMD, including cooling tower blow down.
- Provided Secondary and tertiary treatment facility, for existing unit.
- JVS results are not meeting the consented standards.
- Treated effluent is sent to PRIA CETP.
- For coal fired Boiler Dust Collection System provided.
- As per report of SRO closure direction were issued on 16/09/2011.
- SRO and RO reported that the up gradation work of secondary treatment system is not yet completed. Industry has not submitted any proposal for ash utilization.
- JVS results are not meeting the consent standard.
- As per the decision of CAC, SCN was issued to refusal of consent.
- Industry submitted reply, reply of RO, SRO not received.
- Industry stated that no additional effluent is generated.
- BG of Rs.2 + Rs. 01 is extended.
- We may grant consent to operate with amalgamation.

CAC Item No. 07

Name of Industry : **M/s. Pudumjee Pulp & Paper Mills Ltd.,**
(Formerly Known as M/s. Global Board Ltd) K-5,
Additional MIDC, Mahad, Dist- Raigad

HOD Remarks: -

- Applied for renewal of consent to operate
- Application received at SRO on 05.07.2011 and at HQ on 31.01.2012
- It is engaged in Mfg. of duplex board- 2400 MT/M, Art Board & Art paper – 1200 MT/M, specialty Board -1450 MT/M & Cast Coated Board -600 MT/M.
- Total water consumption is 6000 CMD in which domestic effluent generation is 135 CMD. Used for gardening and industrial effluent is 4650 CMD.
- Unit was closed from Mar -2008. Unit had valid consent upto 30.04.2009 & industry had applied for renewal of consent for 1 year, but was not granted to industry.
- Previously M/s. Global Board Ltd has investment of Rs.17000 Lakh & had valid consent upto 30.04.2009. But now the Industry has been bought by M/s. Pudumjee Pulp and Paper Mills Ltd., and they have applied for renewal of Rs. 2236 Lacs only.
- AS per the decision of the CAC Dt. 14.02.2012 SCN for revocation/ refusal of earlier consent /closure due to having invalid corroded ETP and no arrangement for the disposal of the treated effluent as CETP is inadequate to handle the load.
- In reply to the SCN issued to the Industry, industry has stated that they have purchased second hand industry hence Capital Investment is decreased. Industrial effluent generation is 4 MLD
- CETP Mahad has no capacity to accumulate 4 MLD effluent.
- Industry was operating till 2008-09.
- Decision may be taken in view of disposal of the treated effluent.

CAC Item No. 08

Name of industry : **M/s. Bombay Rayon Fashion Ltd.,**
Plot No. C-6 & C-7, MIDC, Tarapur,
Tal. Palghar, Dist. Thane

HOD Remarks : -

- Industry has applied for Renewal of Consent..
- Textile Processing industry.
- Application received at SRO Tarapur 13.12.2011 and at HQ 14.03.2012.
- Provided Pri Secondary & tert. Treatment facility
- Treated effluent is recycled/reused to 20%
- Multi cyclone dust collectors with bag filter provided.
- SCN was issued for non compliance as per decision of CAC.
- Ind submitted reply communicated that the increase in C.I is due to addition of machineries which will improve performance of fabric & will not generate additional effluent.
- Production will remain same.
- We may consider the case & grant renewal of Consent with B.G. of Rs 5.0 Lakhs.

CAC Item No. 09

Name of Industry: M/s. MAZDA COLOURS Ltd.

Plot No 121/1, MIDC Dhatav, Tal- Roha,
Dist - Raigad

HOD Remarks : -

1. Application received at RO Raigad 16/03/2012
2. Application recd at HQ 28/03/2012
3. Product- Pigments and intermediates.
4. I.E. 3135 CMD, D.E. 25 CMD. Primary and Secondary system proposed.
5. Disposal- 200 CMD will be used in the process and 2960 CMD will be sent to CETP.
6. Earlier Board has issued NOC to the unit with condition that, the effluent quantity Phase-I 1080 CMD shall be treated by providing MEE & RO System. The Phase-II with remaining effluent is to be linked with proposed expansion of CETP.
7. Industry has already applied for EC and submitted minutes of 41st meeting of SEIAA.
8. NOC for CETP membership obtained.
9. RO Raigad has recommended for grant of consent to establish.

Consent to Establish may be granted with incorporating of NOC conditions.

CAC Item No. 10

Name of Industry : **M/s. Alkyl Ammines Chemicals Ltd.,**
Plot No D-6/1 & D-6/2, MIDC, Kurkumbh,
Tal- Daund, Dist : Pune

HOD Remarks : -

1. Application received at RO Pune 03/02/2012
2. Application recd at HQ 13/03/2012
3. Product- Chemicals.
4. Applied for Consent to amalgamation and amendment for addition of new coal / bagasse fired boiler.
5. Existing unit holding two consents valid upto 30.06. 2014 & 30.09.2014.
6. I.E. 417 CMD, D.E. 39 CMD. Primary, Secondary and Tertiary system treatment provided.

- 3) CAC dtd-31/01/2012 decided to amalgamate the Consent. With condition that-Industry shall submit BG of Rs. 5 Lakhs for O & M of ETP so as to achieve the consented standards including BOD.
- 4) Accordingly Consent was granted valid up to-30/06/2014.
- 5) Industry has submitted B.G of 5 lakh as per Consent Condition.
- 6) RO Aurangabad as requested vide letter dtd- 13/03/2012 to amend the consent with some correction and addition of two products.
- 7) The products 1) Antihuman Tumor Necrosis Factors (GCSF's) -125 gm/A & 2) Tablets (Formulation Only) -4.0 Billion /year, were covered in previously granted consents under Red and Orange Category respectively. But not reflected in last processing & consent renewed on 14/2/2012. Hence, applied for amendment in consent.
- 8) Considering this, the amendment may be granted.
- 9) Submitted for decision of CAC.

CAC Item No. 12

Name of the Industry : M/s Jubilant Life Science Ltd.,
Village Nimbut-Nira, Tal-Baramati,
Dist-Pune

HOD Remarks : -

- Application recd to RO Pune 02/01/2012.
- Application recd at HQ on 03/03/2012.
- Mfg of chemicals.
- The industry location is in RRZ restricted area (Nira river A-IV Zone)
- In the same premises industry has holding 5 consents for various products Existing I.E. – 1804 CMD, proposed IE-163. Total IE 1967 CMD.
- Earlier board has granted consent to establish in 22/08/2008 and accordingly industry has obtained EC from MoEF. Now Industry has applied Phase-wise consent to 1st Operate only for the mfg of acetic anhydride 125 MT/Day with IE 163 CMD.
- RO Pune has reported compliance of existing industries and recommended for 1st Operate with amalgamation of existing consent.

We may be consider for grant of 1st Consent to operate with amalgamation as per EC conditions.

CAC Item No. 13

Name of the Industry : **M/s. Hindustan Petroleum Corporation Limited.**
B. D. Patil Marg, Mahul, Mumbai.

HOD Remarks : -

- Application for renewal of consent was discussed in CAC meeting dtd.2.3.12 and as per decision consent was renewed subject to conditions I. e. Renewal only for one year.
- Refinery to submit action plan for improvement, duly signed by occupier Director (ops), within 3 months.
- BG of Rs. 5.0/- Lakhs each towards effluent, air and HW issues referred in notice.
- Review by team of MPCB officers for the compliance in May 2012.
- Industry has submitted a letter for amendment vide letter dtd 21.3.2012 states that the industry has decommissioned their old ETP-I & II and has commissioned integrated effluent treatment plant in June-2010 which is to be incorporated instead of ETP- I & II. Also requested for effluent discharge of 30 CM per hour from the purge treatment unit .The industry has switching over to natural gas firing in the fired equipment in view of this there is need for revision with respect to refinery gas/natural gas quantity i.e. 850 T/D.
- Industry had submitted requisite consent fees for the period up to 31/12/2013 ie for two years. And Board was granted consent period for one year subject to BG and other conditions like industry shall submit action plan for improvement duly signed by Director (operation) et.. now industry has requested for amendment to waive the BG condition and consent period.

CAC Item No. 14

Name of Industry : M/s. Rashtriya Chemicals And Fertilizers Ltd.,
Trombay Unit, Mahul Village Road, Chembur,
Mumbai-74.

HOD Remarks: -

- Recently applied for Renewal with Expansion (product mix) and as per CAC Meeting dtd. 7/12/2012 consent granted for the period up to 01/08/2016. Now application submitted for modification in plants for pollution control & energy conservation..
- Industry has propose to modify in plants vz.
- Installation of vapour absorption machine at the suction of turbo air compressors in medium pressure Nitric acid plant.
- Installation of spin flash for Ammonium Bicarbonate plant.
- Changeover from present adiabatic conversion reactors to isothermal reactors in methanol plant etc.
- Du to proposed to modification in plants which production level of Methanol will increase from 69960 MT/Y TO 1,00,000 MT/Y and ammonium Bicarbonate – 25000 MT/Y TO 35000 MT/Y. Industry states that the pollution load will remain below the consented limits.
- As per amendment in EIA Notification dtd 14.12.2006, in cases of change in product mix, changes in the quantities or number of products may be allowed without prior EC by the concern SPCB provided such changes in the quantities of products are in the same category & are within the previously granted overall total limits.
- They may be advised to submit regular application with fees.

CAC Item No. 15

Name of Industry :

M/s. Praxair India Ltd.

Plot No. A-3/2, MIDC Murbad,

Dist. Thane.

HOD Remarks : -

1. Application for Renewal of Consent to Operate.
2. Products- storage of various liquid gases & chemicals. And Manufacture of Gases i.e. Helium & Helium base Mixture Cylinders.
3. Application received at SRO on 17/02/2012 and at HQ on 03/04/2012.
4. IE generation is Nil.
5. Industry has obtained Consent to Establish for expansion with CI Rs. 150 Crore vide No. CAC-183 dtd. 19/01/2012.
6. CI of existing unit is Rs. 7.25 Cr.
7. Industry covers under CAC List at Sr. No. 599.
8. Industry had applied for renewal of consent for three years along with consent fees of Rs. 60,000/- for period up to 31/03/2013. Then again paid Rs. 40,000/- for additional two years i.e. up to 31/03/2015. But consent granted for one year in the year 2009 with storage quantities different than application. Hence industry has requested to issue consent up to 31.03.2015 with corrected quantities of production & storage vide letter dtd. 12/04/2011. Now industry has applied for renewal up to 31/03/2015 and paid difference consent fees of Rs. 15,000/- as per revised fee structure) and requested to grant consent with corrected production & storage quantities.
9. Considering this Renewal of consent with amended quantities may be granted.
10. Submitted for CAC Consideration

CAC Item No. 16

Name of Industry: M/s. National Rayon Corporation Ltd.,
Post. Mohane, Tal. Kalyan, Dist. Thane

HOD Remarks : -

1. Status of Closed Industry.
2. Industry covers under CAC list at Sr. No. 288.

- Adequate APC for coal crusher not provided inspite of directions dt. 09/08/2010.
- We may refuse the consent.

CAC Item No. 23

Name of the Industry : M/s. Western Coalfields Ltd.,
Durgapur Open Cast Mine,
Durgapur Sub-Area, Chandrapur.

HOD Remarks : -

1. Applied for plain renewal of consent for coal production 2.3 Million Ton/Year.
2. Earlier consent was valid up to 31.12.2011, for coal production of 2.3 Million ton per year.
3. Domestic Effluent-390 CMD, STP Provided. Industrial Effluent including Mine Water discharge- 100 CMD. Effluent disposed into nalla after primary treatment
4. Mobile water tankers for water spraying on haul roads provided. Mist type water sprinkler provided at C H P.
5. Analysis results of ambient air quality monitoring carried between 20.1.2011, 23.6.2011 shows the RSPM values are exceeding the standards.
6. RO Chandrapur recommended renewal of consent for the period up to period 31.12.2012 with directions to complete all environmental works in time bound manner and also recommended to forfeit the bank guarantee of Rs.1/- Lakh for not maintaining the ambient air quality standards.
7. The unit is not complying the consent conditions and exceeding the results. We may issue SCN for refusal of consent.

CAC Item No. 24

Name of the Industry: M/s. WCL Mungoli Opencast Mine,
Po-Sakhara(Kolgaon),Mungoli Sub Area,
Dist. Yavatmal.

HOD Remarks : -

1. Applied for renewal of consent with expansion from 1.5 Million ton per year to 4.0 Million ton per year.
2. Obtained Environmental Clearance for coal production 2.5 MTPA to 4.0 MTPA from MoEF GOI vide letter dated 30th March 2011, copy is enclosed.
3. **Earlier consent was valid up to 31/12/2010, for coal production of 1.55 Million ton per year.**
4. Regional Office Chandrapur vide letter dated 21/01/2012 demanded additional consent fee of Rs. 34,80,938/- including delay charges and balanced consent fee. Mine authority vide their letter dated 03/02/2012 has submitted that they are in process of depositing additional fee.
5. Coal Production for last three years is enclosed herewith. The Production for the year 2010-11 was 3.058 Million Ton.
6. **The Board vide letter MPC/CRO/1366/2010 dated 05/08/2010 has issued interim directions to the mine. But said mine authority is non-complied with respect to these points.**
 - a. Active O.B is about 50 meter away from notified Wardha river. The OB was slide in part and spread up to bank of river.
 - b. Operation & maintenance of existing air pollution control system, sewage treatment plant is very poor and thus affecting surrounding environment.
8. **From the Ambient Air Monitoring Results carried in Jan/March/Oct, 2011 observed that results are exceeding.**
9. **Mine Lease boundary is adjacent to notified A-II class Wardha river (0.2 Km) and within two km from Notified A-II Class Penganga river. RRZ not satisfied for expansion of mine near the notified A-II class river.**
10. The mine is not complying to the consent conditions/interim directions. The results are exceeding. Industry not satisfying the RRZ notification, hence we may refuse the consent for expansion unit and issue Show Cause Notice for refusal to the existing unit.

CAC Item No. 25

Name of the Industry : M/s. POSCO Maharashtra Steel Pvt. Ltd.,
CRC plant, Plot No. C-1, MIDC Vile Bhagad,
Tal: Mangaon, Dist –Raigad.

HOD Remarks : -

1. Applied for grant of Consent to Establish for manufacturing of Full Hard Coil and Cold Rolled Coils.
2. Industry has obtained consent to establish for the production of Galvanized coils in the same premises.
3. They have obtained Environmental Clearance for manufacturing Galvanizing coils.
4. Industry has informed that they have applied for environmental clearance to GoM [SEAC] on 27.06.2011.
5. Application received at SRO, Mahad on 18.4.2011, received at AST section 24.08.2011 and JD (APC) section on 25.11.2011.
6. Query letter issued by this office on 02.12.2011.
7. Firm authority has submitted its reply to query letter on 02.01.2012.
8. SRO-Mahad has recommended for grant of consent to establish subject to condition that industry shall submit the proposal of new ETP, STP and obtain Environmental clearance.
9. Industry has paid consent fees Rs.9,49,580/-+ Rs.9, 49,580/- as per new GR dated 25.8.2011.
10. Board has granted Consent to establish on 18.01.2012 following the decision of CAC meeting held on 10.01.2012.
11. As the land where the plant is located is having high rock terrain with the mountains and hilly soils with less porosity & permeability, effluent disposed on land may get percolated. Accumulated effluent may contaminate rain water during monsoon and may enter into river/sea by surface runoff endangering life of flora and fauna.
Hence, we may amend the consent and impose strict norms to achieve BOD -5 mg/L, similar to that imposed on galvanizing unit.

CAC Item No. 26

Name of the industry : M/s. Ghatge Patil Industries Ltd.
S. No. 362A,365A,4B,
Uchgaon, tal:- karveer.
Dist. Kolhapur.

HOD Remarks :-

- Expansion will be for product Grey Iron Casting & S.G. Iron Casting- 3929 MT/M.
- Capital Investment for Expansion will be **Rs.11.08 crores**. Existing C.I. is **Rs. 98.68 crores**. The total C.I. is **Rs. 109.76 crores**.
- Requires **EC**, which is not obtained.
- Industrial effluent will be 3.0CMD, ETP will be provided. Proposal submitted. Existing effluent is 5.39 CMD, having ETP.
Domestic effluent will be 22CMD, STP will be provided, proposal submitted. Existing effluent is 30.9 CMD.
- Cupola Furnaces will be provided with Wet Scrubbers, Shot Blasting section will be provided with Cyclone Separator, Bag Filter Aluminium foundry with Cyclone separator. And paint booth will be in closed cabin with water curtain and mist arrester.
- As the capital investment is Rs. 109.76 crores, we may place the application before CAC for further discussions.
