13. The case was discussed during CAC meeting held on 03.07.2012 and it was decided to issue stop work directions for starting construction activity without obtaining consent and Environmental/CRZ Clearance. Also, it was decided to issue SCN for prosecution for said violation. The same was issued on

11.07.2012 and applicant have submitted the reply vide letter dtd. 06.08.2012 wherein following points are noted;

- a) CIDCO has allowed them to develop BUA of 14192.128 sq.m. and at this stage, permitted to construct Basement, 1,2,3 & ground floor of main hospital and remaining after obtaining Environmental Clearance.
- b) They have already applied for CRZ/Environmental Clearance but not yet received.

**14.** Decision of grant of consent may be taken in CAC.

## **CAC Item No. 10**

**Name of Industry** : **M/s. Rashtriya Chemicals And Fertilizers Ltd.,**  
Trombay Unit, Mahul Village Road, Chembur,  
Mumbai-74.

**HOD Remarks** :-

- Applied for first consent to operate for mfg of rare earth material.
- Application received at SRO ON 03.02.2011 and at HQ it received on 26.04.2012.
- The industrial effluent generation is about 0.5 CMD & domestic 1.0 CMD. Industry will be use existing ETP of RCF, in which consisting primary, secondary & Tertiary treatment and achieving boards prescribed stds . Treated industrial effluent disposal in to MCGM drainage.
- RCF Industry has submitted cess returns up to March 011 & paid up to March 011 Environment statement submitted for the year 2010-2011

-The project proponent has applied for consent to operate on the plot which is situated in the premises of RCF. The Board has granted consent to establish in the name of RCF instead of Dept. of Atomic Energy. At the same time the project proponent has obtained EC in the name of Associate Director, Govt. of India, Dept. of Atomic Energy, Heavy Water Board, Mumbai for the production of Uranium. The matter was discussed with project proponent and it is understood that they needs to amend the consent in the name of Heavy Water Board, Dept. of Atomic Energy, Govt. of India, however as per Board policy we are not encouraging two consent on same plot as the project proponent obtained EC complied with the consent to establish.

The case was discussed in earlier CAC meeting dtd. 25.07.2012, it was decided to resubmit the case in CAC after obtaining C. to E transferred by following due procedure. The industry has submitted request letter along with agreement copy vide letter dtd. 31.07.2012, stated that the ownership of TDP lies with HWB,DAE and HWB is responsible for operation & maintenance of TDP as per clause No. 26 of agreement. Industry has requested to consider the change in occupier name.

The case is put up before CAC for taking policy decision for grant of consent to operate in the same premises of RCF or otherwise.

## CAC Item No. 11

Name of the Industry:

**M/s Sandoz Pvt. Ltd  
Plot No L-1, Addl.MIDC, Mahad Dist Raigad.**

HOD Remark:-

- Application recd to RO Raigad 12/03/2012.
- Application recd at HQ on 07/04/2012.
- Existing unit, Mfg of Bulk drugs. Valid consent upto 30/06/2015.
- Now applied for additional four products with reduction in existing products quantity & maintaining no increase in total production quantity & effluent quantity.
- Existing I.E. – 877 CMD, proposed Nil. D.E. – 50 CMD. Primary, secondary & Tertiary treatment provided. Disposal – Reuse/ CETP.
- Industry has not submitted, “**No increase in pollution load**” certificate from reputed institute.
- Capital investment certificate is not certified by C.A. Env't statement, HW return in Form IV, latest JVS reports are not submitted.
- RO Raigad has recommended for grant of consent for addl four products subject to pay consent fee on total investment & nil discharge to CETP.
- The case was discussed in CAC meeting held on 29.5.2012 and it was decided that, industry shall submit certificate from IIT / UDCT for no increase in pollution load and total production quantity.
- Accordingly industry has submitted, “no increase in pollution load certificate”. It seems to be in order.

As there is no increase in pollution load and total production quantity, we may consider the case for grant of consent with change in product mix.

## **Fresh Agenda**

### **CAC Item No. 12**

**Name of the Industry:** **M/s. Currency Note Press,**  
S.No.120/1, 120/5, Jail Road,  
Nahsik Road,  
Tal & Dist.: Nashik – 422 101.
