- ii. Total Construction BUA Proposed construction : 2,34,085 Sq.Mtrs

- Application received at RO, dt: 2/1/2012 and at HQ on dt: 21/02/2012.

- Project proponent has obtained EC from GOI dated 1/4/2011 (**C-36**)

A.Total Plot Area - 1,22,011.00 Sq.mtrs.

B.Praposed BUA[As per FSI]- 2,22,271.50 Sq.mtrs.

- i. Praposed BUA [As per FSI] for Existing Building : 1,17,104.00 Sq.mtrs
- ii.Proposed BUA [As per FSI] for Proposed construction : 1,05,168.00 Sq.Mtrs

C.Total Construction BUA - 3,86,319.80 Sq.mtrs.

- i. Total Construction BUA of Existing Building : 1,52,235 Sq.mtrs
- ii. Total Construction BUA Proposed construction : 2,34,085 Sq.Mtrs

- Water consumption - 2386 CMD.
Sewage Generation - 1765 CMD.

Said Project consist of total 10 Nos of Buildings (5 Nos of existing+ 5 Nos. of Praposed Buildings)

- **Construction Status:**
Existing Buildings: construction work of all buildings are completed & occupied.

Proposed ConstructionBldg.No.4:Construction work completed for E & F wing completed upto G+19 Floors.

Bldg.No.5:Foundation work is in progress.

Bldg.No.6:Construction work completed upto 5p+1 St+ 8 Upfloor completed.

Bldg.No.7:Construction work completed upto 5p+1 St+ 2 floor completed.

Bldg.No.8:Construction work completed upto 5p+1 St is in progress.

- the case was discussed in **CAC Meeting dated 24/5/2013** and It was decided to re-examine the case with datewise chronology and to get clarification regarding since when the consent fees should be charged on increased in CI and It was decided to keep the case in abeyance and revert after getting clarification on why C to E was not obtained prior to starting and completing construction.

MAHARASHTRA POLLUTION CONTROL BOARD

- We may Place the application in CC for further decision.

CAC Item No. 03

**Name of the industry: - M/s. Cummins India Ltd.,
No.30/5,31/3,32,33/2,35/1+2,3741pt,43pt,44pt,
Dahanukar colony,Kothrud,Pune 411 038**

Applied for consent to establish for expansion

Application received at SRO-Pune-I on dtd 09/02/2013 and at HQ on 30/04/2013.

Existing plant consent is valid up 30/9/2014

Total capital investment is Rs.1270.59 Crs (Proposed 468.84Crs + existing Rs.801.75 crs)

Industry will generate trade effluent to the tune of 29CMD, for which they proposed to provide effluent treatment plant. (existing IE 30.2 CMD)

Industry will generate domestic effluent (63 CMD) for which they propose to provide sewage treatment plant. (existing 450 CMD)

The proposed built-up area is 129704.72Sq.Mtr and total plot area is 344154 Sq.mtr. As the total built up area exceeds the 20000 Sq.mtr., it attracts EIA Notification 2006 and requires environmental clearance. Industry has applied for Environment Clearance and EC is not yet obtained.

As per existing consent condition No. 09, industry has submitted BG of Rs. 5/- Lakhs towards operation & maintenance which is valid up to 30/09/2014.

Regional officer Pune forwarded the case to HQ for decision at higher level

The proposed built-up area is 129704.72Sq.Mtr and total plot area is 344154 Sq.mtr. As the total built up area exceeds the 20000 Sq.mtr., EC obtained. Case was discussed in CAC meeting dt. 04/06/2013 and decided to keep the case in abeyance and revert to CAC after getting distance certificate of EE, irrigation dept. as per RRZ policy. Accordingly, letter was issued on 18/06/2013. Reply was received from RO with copy of EE, irrigation dept., stating that distance is 1460 mtrs. We may place the consent application before CAC for further consideration.

FRESH AGENDA

CAC Item No. 01

**Name of the Industry: M/s. BHEL (Power Equipment Fabrication Plant),
MIDC Mandipar, Tal: Sakoli, Dist: Bhandara.**

1. Applied for consent to Establish (for power equipment fabrication plant).
2. The Capital Investment of the industry is Rs.522.26 Crores.

Application for Consent to Establish.

RRZ Policy satisfied.

We may grant Consent to Establish subject to Environment Clearance as area is more than 20,000 sq. Meter.

CAC Item No. 02

**Name of the Industry:- M/s. ABB Ltd,
[Formerly known as ABB Global Services Ltd]
Plot no.79, MIDC, Satpur, Tal & Dist: Nashik**

1. Application for grant of consent to establish for additional production submitted by industry on 17.04.2013.
2. Application received at H.Q. on 19.06.2013.

4. RO- Nashik has recommended case for grant of consent to establish.
5. Recommended case for grant of consent to establish with condition that industry shall install ARP for treatment of spent acid or sent spent acid to authorized industry having ARP facility.

CAC Item No. 03

**Name of the Industry :- M/s. Sona Alloys Pvt. Ltd.
Plot No. C-1, MIDC Lonand,
Tal. Khandala, Dist. Satara 415 521**

- Applied for consent to establish for expansion
- Application received at SRO- Satara on dtd 18/04/2013 and at HQ on 20/05/2013.
- Existing plant consent is valid up to 30/11/2015
- Generation of industrial effluent will be NIL (Existing 37 CMD) ETP provided for existing.
- Domestic effluent generation will be 4.8 CMD (existing 21 CMD + Proposed 4.8 CMD)
- SRO reported that the industry has almost erected 80% GGBF's concrete mix plant (before applying for consent to Establish) by assembling and erecting readymade/pre-fabricated equipments, such as drying unit, feeding unit, crushing unit, packaging unit etc.
- Industry has submitted letter dated 18/03/2013 stating that their activity is slag grinding not cement grinding so that not applicable EC.
- The unit has already applied for ENv. Clearance to GOM on 08/01/2013
- RO Pune has recommended the case for grant of consent to establish with condition to obtain EC from MoEF & also recommended to issue the stop work directions as the industry has already started construction of plant.
- We may issue SCN for Refusal of the consent due to above violations.
- We may place the consent application before CAC for further consideration.

CAC Item No. 04

**Name of Industry:- M/s. Endress+Hauser Flowtec (India) Pvt. Ltd.
M-171 to 176, MIDC Waluj,
Aurangabad**

Applied for consent to establish for expansion.

Will be increasing product quantity of the product Flow meter & its parts by MT/M or 800 Nos./M. The existing consent is valid upto 28/2/2014 for manufacturing of flow meters & its parts 20 MT/M. The CI for expansion is Rs.48.38 crores and existing CI is Rs. 128.51 crores.

There will be generation of industrial effluent to the tune of 0.1 CMD from expansion and existing quantity is 0.15 CMD.

The domestic effluent will be 3.0 CMD from expansion and existing is 9.0 CMD.

Both the effluents will be treated in existing STP of 20 CMD capacity.

JVS result is within limit. SRO/ RO recommended grant of consent to establish.

We may consider grant of consent to establish for expansion.

We may place the case before CAC for further discussions.

CAC Item No. 05

Name of the Industry : **Oakwood Premier ,
S.No.81, H.No.1+4B+5A,
Plot No.4, Mundhwa, Pune- 411036**

1. PP has applied for of consent to establish & operate for Hotel with 200 Rooms. [Built-up area-16,266.13 sq.mtrs]
2. Date of commissioning of hotel is Oct. 2010
3. Capital investment in 2010 was Rs.146.96 accordingly PP has paid Rs.293920 in 2010.
4. Now capital investment as on 28.02.2013 was Rs 163.67.Cr. pp has paid total consent fees of Rs 11,28,980/- for period upto 31.10.2014
5. Domestic water consumption is 66 CMD & waste water generated about 55 CMD for which pp has provided 25 CMD STP. **(Inadequate capacity of STP)**
6. PP has provided ozone generator to swimming pool.
7. Organic waste convertor is installed for disposal of Wet MSW waste.
8. PP has installed DG set of capacity 750 & 380KVA capacity with APC.
9. Hazardous Waste category 5.1- 750 Lit/Year is disposed to Auth Reprocessor
10. SRO Pune has issued query letter on 30/03/2013 reply not received.
11. RO Pune recommends the case for grant of consent; subject to reply of query letter.

CAC Item No. 06

Name of the Industry : **M/s. Mazagaon Dock Ltd.,
Wet Basin , Modernisation Project, South Yard,
Mazagaon Dock Ltd, Dockyard Road, Mumbai.**

1. Application received for **Consent to Establish and Operate** for the construction of new wet basin for Mazgaon Dock Modernization for
2. **Total Plot Area:35,135.32 Sq. Mtrs. BUA:9750 Sq. Mtrs. (excluding gate)**
3. Said Project is funded through Projects **of Indian Navy.**
4. Said Project Consist of berthing space(like swimming pool) having area of 27,000 Sq.Mtrs,Deapth of Basin is 6 Mtrs to facilitate sufficient draft for larger size warship & vessels and equipped with all necessary fitting, electrical & mechanical services bags.
5. Said project meant for berthing outfitting activities of Warships and Submarines of Indian Navy is the part of Modernization Project of Mazgaon Dock Ltd.

7. Total Cost of Project is **Rs.285 Cr.**
8. MDL has paid **Rs. 11,40,100/-** Fees paid for **Establish & operate.**
9. Earlier consent for existing activity is valid upto **28.02.2012** MDL has applied for **renewal on 27/02/2012** which was refused by board on 23.10.2012.

Construction Status:

10. SRO Reported that construction of wet basin **started since September, 2008** and now completed and it is expected to **commission in next two months. Civil work is completed** installation of four cranes is in progress
11. RO recommended for grant of Consent to Operate upto **31.03.2014 for Wet dock activity.**
12. Since C.I. of Project is Rs. 285 Cr. We may place the application in CAC for further decision.

CAC Item No. 07

Name of the Industry : **M/s. Kiyana Properties Pvt. Ltd ,
CTS No. 283, 283/1 to 17, LBS Marg,
Village Bhandup (W), Taluka Kurla,
Mumbai-400078.**

- Application for grant of consent to establish for proposed Residential project for,
Total Plot Area - 17,408.00 Sq.mtrs.
Permissible FSI(including TDR) - 39,964.51 Sq.Mtrs.
Total Construction BUA - 82,921.36 Sq.mtrs
- Application received at RO, Nashik, dt: 29/1/2013 and at HQ on dt: 25/02/2013.
- Applicant has obtained EC from GOM Dated 8/4/2013 for ,
Total Plot Area - 17,408.00 Sq.mtrs.
Permissible FSI(including TDR) - 39,964.51 Sq.Mtrs.
Total Construction BUA - 82,921.36 Sq.mtrs
- Non Hazardous Waste:
Wet Garbage: 655 Kg/Day will be treated in organic waste Converter
Dry Garbage:281 Kg/Day will be handed over to MCGM.
STP Sludge; 28 Kg/Day
- SRO-Mumbai-III reported that, excavation work is in progress and no any construction activity is observed
- RO Recommended C to E for commissioning of project or 5 years whichever is earlier
- We may grant C to E subject to condition of EC and by taking Board Resolution not to start any activity without C to E from Board and submission of Bank Guarantee of Rs.10 Lakh for providing STP and MSW Processing Plant.

CAC Item No. 08

Name of the Industry : **Shree Samrat Pulp & Paper Pvt. Ltd.,
D-2, MIDC Kurkumbh, Tal-Daund,
Dist-Pune**

1. Applied for C to E for expansion.
2. Application received at HQ on dtd.18.04.2013.
3. Engaged in mfg. of Kraft paper / paper Board.
4. Industry has obtained consent dated 24.01.2013 & same is valid upto 30.11.2014 for mfg of Kraft paper/Paper Board-900 MT/M with the condition of recycling 100% treated effluent in the process.
5. Now industry has applied for consent to establish for Kraft Paper /Paper Board of capacity 15000 MT/M in name of Shree Samrat Pulp and Paper Pvt Ltd.
6. Industry plot D-2 is located in the MIDC Kurkumbh area which is about 5KM from river Bhima and about 0.05KM from Pune-Solapur Highway.
7. Industry has changed their name from M/s Godavari Pulp and Paper Mills Pvt. Ltd, to Shree Samrat Pulp and Paper Pvt Ltd.
8. Industry proposes to provide ETP for I.E. generated to the tune of 450 CMD and propose that the treated industrial effluent will reuse for manufacturing process and sprinkling on coal and ash.
9. For Domestic effluent to the tune of 9CMD proposed to provide septic tank and soak pit.
10. Industry proposes to provide APCS for bagasse/coal fired boiler.
11. Considering above the case is recommended for Grant of C to E with BG of Rs.5.0 Lakhs towards compliance of C to E conditions with 100% recycle in process making Zero Discharge.

CAC Item No. 09

Name of the Industry : **M/s. Schreiber Dynamix Dairies Ltd.,
Gat No.88-89 & 91-92,Rui,Tal-Baramati,
Dist-Pune.**

1. Applied for the C to E for the additional Biomass boiler for the exiting unit.
2. Application received at HQ on dtd.15.04.2013.
3. Existing industry engaged in mfg. Of Dairy products having valid consent upto 31.12.2014.
4. Existing 5 Nos of boilers – fuel is Furnace oil and adequate height of stack is provided.
5. Now proposed new additional biomass/ briquette/coal fired Boiler of capacity 40 TPH.
6. Industry has proposed that the new boiler will be operated continuously and existing furnace oil fired boilers will be operated when Biomass boiler will be not in operation.
7. SRO reported that the proposed boiler installation site is on the other side of mfg. unit, and Bhigwan-Baramati road is passing in between the mfg. unit and proposed site.
8. Industry has proposed High efficiency Deduster (HEDD)/ Cyclone separator as an APC system.
9. The case is recommended for grant of C to E for installation of New biomass/coal fired boiler, with BG of Rs.5.0 lakhs and with condition not to start without C to O.

OPERATE

RESUBMISSION

CAC Item No. 01

**Name of Industry:- M/s. Angre Port Ltd.(Formerly known as Jaigad Port
Infrastructure Pvt Ltd.)
A/P:- Sande Lavgan, Tal& Dist:- Ratnagiri**

Case again discussed in CAC meeting dated 22/3/2013, it was decided to keep the case in abeyance and put up case in CAC after compliance of EC/C to E conditions. Now the report is received from SRO and reported that most of EC & C to E conditions are complied except Env't. Cell/Green Belt. We may consider grant of consent to operate subject to condition that unit shall commission STP before 31/1/2014 with BG of Rs. 5/- lacs and operational BG of Rs. 5.0 lacs.

We may place the case before CAC for further discussions

CAC Item No. 02

Name of the Industry: M/s. Adani Power Maharashtra Private Ltd.,

Plot No.A-01, Vill: Tiroda, Dist: Gondia.

1. Applied for renewal of consent of power plant 1320 MW.
2. SRO Bhandara has submitted the compliance report and reported the compliance but monitoring results are not submitted.

Discussed in CAC meeting held on 27.12.2012 and not approved the renewal of consent. It was decided to call monitoring results from SRO & resubmit in next CAC Meeting. The analysis results are submitted by SRO & are within the limit (Copy enclosed).

Discussed in CAC meeting held on 31.1.2013 and It was decided to keep the case in abeyance due to non submission of consent & EC condition compliance.

The first unit of 660 MW is taken on trial in july 2012 & synchronized in sept 2012.As per EC condition the unit's coal requirement is from WCL & SECL by rail transportation up to their plant site in tiroda but presently as the railway siding of the unit is not yet completed. As temporary arrangement the unit is presently (since july 2012) loading/unloading coal at railway siding at Ramtek in Nagpur district & from this railway siding same is transported by trucks.

RO Nagpur has submitted the report on 3.2.2013 and reported that strengthening of pollution control system is needed at railway siding at Ramtek and also extension of cladding over the 700 meter length. The AAQM results are high.

We may grant renewal for 1 year with condition that;

- i) The unit shall ensure the adequate case shall be taken while transportation of coal by Road from Ramtek Railway Good Yard up to unit's coal stock yard so that no stillages/overloading all along the road transportation with tarpaulin cover on it shall be observed. The operational B.G. of Rs.5/- lakh may be taken.
- ii) The unit shall commission the Railway siding for transportation of coal by railway up to company coal stock yard on/or before 30.11.2013, with B.G. of Rs.10/- Lakhs for same.

CAC Item No. 03

Gat No. 147, Village – Tamgaon,
Tal - Karveer, Dist - Kolhapur.**

- Applied for 1st C to O expansion of cotton yarn and caustic recovery with amalgamation of existing C to R.
- Previous consent for renewal was valid up to 31.12.2012. & C to E was issued dt. 10.01.2012.
- Industry is engaged in shirting fabrics, textile processing yarn dyeing process activity and 6 MW Co-gen plant.
- CI of existing plant was Rs. 227.34 and CI of expansion is Rs. 12.62 Cr.
- Total CI of industry is Rs. 232.17 Cr. as per gross block 2012 submitted by industry. Difference in CI is 7.79Cr.
- Water consumption - 2596 CMD, IE - 1927 CMD, DE - 80 CMD.
- Provided ETP comprising of Primary, secondary, tertiary followed by chlorination capacity 1700 CMD and new ETP with 1500 CMD is commissioned.
- Treated effluent will be disposed on 78 acre + 20 acre private land of farmer.
- JVS results are within limit after June 2012.
- Septic tank and soak pit is provided for treatment of DE.
- Provide bag filter to boiler, engine & DG set while dust collector to singing machine and stenter as an APC.
- Submitted environmental statement for 2011-2012.
- Paid cess up to may 2012 and submitted up to Oct 2012.
- BG of Rs. 10 lakhs, the Board has forfeited BG of Rs. 1 + 4 lakhs towards exceeding JVS results.
- RO has recommended renewal with amalgamation up to 31.12.2013.
- As per sectoral this industry falls in month of January, We may grant renewal of consent with 1st operate up to 31.01.2014 after obtaining requisite fees from the industry.
- Considering compliance of C to E, it is recommended to grant 1st C to O with amalgamating existing consent valid up to 31.12.2012 (existing validity) OR till 31.01.2014 by calling additional fees as per sectoral approach, with additional condition as to set up RO plant with MEE to make zero discharge plant and STP considering sewage quantity of 80 CMD within 1 year, with BG of Rs. 5 lakhs for O and M and PCS and Rs. 2.5 Lakhs for providing STP and Rs. 2.5 lakhs for providing RO + MEE if agreed.

CAC Item No. 12

Name of Industry : M/s. B G Chitale Pvt. Ltd.
A/p. Bhilwadi, Station, Tal – Palus
Dist - Sangali.

- Industry has applied for consent to operate with consent to 1st operate **RED /MSI** category.
- Previous consent for processing of Milk and various milk products was valid up to 30.06.2011.
- Consent to establish for expansion was issued dt. 12.08.2011.
- Earlier industry has applied for C to O with expansion up to 30.09.2012 in 2011 but consent was not granted.
- CI of the industry is increased from 84.12 Cr.
- Water consumption - **2300 CMD, IE – 1800 CMD, DE - 80 CMD**
- Industry provided ETP comprising Primary, Secondary and Tertiary treatment.
- Treated effluent is used on land for gardening. Land available for disposal on 91 acra. Seems to be sufficient for effluent generated.
- Provided sooth arrestor, multicyclone type Dust Collector, and
- JVS results dt. 26.04.12, 20.07.12 & 13.08.12 are within limits.
- Industry has paid fees of Rs. 1,43,850/- for consent to operate.
- Industry has submitted Environmental Statement for year
- Industry has paid cess up to 31.12.2011.
- SRO Sangli has recommended to grant consent to operate up to 30.09.2013
- Industry has paid additional fees Rs. 1,25,000/-
- RO, Kolhapur has recommended to grant consent to operate up to 30.09.2014 after receipt of additional fees.
- As per sectoral this industry falls in month of April, We may grant renewal of consent up to 30.04.2014 or we may grant consent up to 30.04.2015 after obtaining fees for 7 months from industry if approved.
- Considering compliance as reported above, it is recommended to grant renewal with 1st C to O up to 30.04.2014 (with balance fees of 5 months) and BG of Rs. 5 Lakhs towards O and M of PCS. And fresh / additional condition for providing STP (as DE is 80 CMD) in one year with BG of Rs. 5 Lakhs.

RESUBMISSION

CAC Item No. 01

Name of the Industry:- M/s. Sandvik Asia Private Limited.,
Mumbai-Pune Road,
Dapodi, Pune 412 220

- Applied renewal of consent
- Application received at SRO- PC on dtd 19/01/2013 and at HQ on 28/02/2013.
- Industry located @ 0.1 KM away from river Pawana (A-IV Class) attract RRZ
- Industrial effluent is 70.0 CMD & Domestic effluent is 180.0 CMD for which they have provided combine ETP & STP.
- Analysis results of JVS dated 30/03/2012,20/04/2012 are within the prescribed consent limits (copy enclosed).
- APC's are provided to DG Set, process stack & paint booth section
- RO Pune has forwarded the case to HQ for Decision regarding grant of renewal of consent to operate with enhancement in C.I.
- SCN issued. Industry replied SCN vide dated 29/06/2013. CI increased due to construction of new building, change in technology, Plant & machinery etc. Also installed water curtains to paint booth. Industry requested for grant of consent for 5 years.
- We may grant renewal upto 31/03/2015 subject to install full fledged APC to paint booth within 4 months with BG of Rs. 2/- Lakhs, submission of company board resolution as they have increased CI by approxi. 466 Crs. Without permission of MPCB with BG of Rs. 2/- Lakhs, Operational BG of Rs. 10/- Lakhs towards O & M of pollution control system.
- We may place the consent application before CAC for further consideration.

CAC Item No. 02

**Name of the industry :- M/s. Walchandnagar Industries Ltd.
Walchandnagar, Tal-Indapur,
Dist. Pune 413 114**

- Applied for renewal of consent with expansion
- Application received at SRO- Pune on dtd 09/08/2012 and at HQ on 02/04/2013
- Previous consent was valid up to 31/07/2011 in GREEN category.
- Generation industrial effluent such as coolant (Quantity not mentioned). SRO Pune -I reported that at present coolant is being discharged without treatment with domestic effluent.
- SRO reported that as per the consent, water consumption for domestic purpose is 2800 CMD and effluent generation is 454 CMD whereas actual water consumption for domestic purpose is an average 5728 CMD as per irrigation bill for the month of Nov. to Feb. 2012.
- Industry has near about 60-70 acres of land available for gardening purpose.
- For domestic effluent industry has provided following treatment facility at 06 locations.
- JVS result of on 30/10/2012 submitted in which one location parameter of BOD (140) COD (288) is exceeded the consented standards
- Industry has 02 nos.LDO fired furnace followed by 14 mtrs. Chimney.
- Industry has carried out shot blasting activity in temporary shed without any air pollution control system.
- RO Pune recommended for grant for renewal of consent after obtaining undertaking along with time bound programme form the industry to provide full-fledged STP for treatment of domestic sewerage generated from the industry.
- SCN issued. Industry replied SCN vide dated 29/06/2013. We may grant consent for enhance capacity for period upto 31/07/2014 with operational BG of Rs. 5/- Lakhs with company Board resolution with BG of Rs. 2/- Lakhs & subject to payment of consent fees.
- We may place the consent application before CAC for further consideration.

CAC Item No. 03

Name of the industry: - M/s. Varroc Polymers Pvt. Ltd. (VPPL-II).

E-88, MIDC Ranjangaon, Tal-Shirur,

Dist-Pune.412 220

- Applied for renewal of consent with expansion
- Application received at SRO- Pune II on dtd 07/06/2012 and at HQ on 13/02/2013
- Previously consent was valid up to 31/05/2012
- Generation of Industrial effluent is 2.5 CMD & domestic effluent 61 CMD for which they have provided combine ETP & STP (Capacity of 70.0 CMD).
- APCS is provided to DG Set. Industry has shown the paint booth in application form, but as per visit report & their request letter they have stopped the painting activity.
- SRO Pune –II reported that, industry has already carried out expansion of the unit and started production without Boards consent to establish.
- Regional officer Pune has forwarded the case for Decision regarding grant of consent may be taken at HQ level as the industry has done expansion without obtaining consent to establish from the Board.
- SCN issued on 18/06/2013 as per decision of CAC. Industry replied SCN vide dated 28/06/2013 stating that they have not yet started production.
- We may grant renewal upto 31/05/2014 with Expansion with Operational BG of Rs. 5/- Lakhs.
- We may place the consent application before CC for further consideration.

- We may place the consent application before CAC for further consideration.

CAC Item No. 05

**Name of the Industry :- M/s. ISMT Ltd (Steel Plant),
Jejuri-Morgaon Road, P.O.- Jejuri,
Dist- Pune 412 303**

- Applied for renewal of consent
- Application received at SRO- Pune on dtd 11/12/2012 and at HQ on 28/01/2013
- Previous consent was valid up to 31/12/2012
- Industry has obtained consent to establish for up-gradation at Air Pollution Control systems
- Industrial effluent is 15 CMD for which industry has provided physico-chemical Effluent Treatment Plant.
- Domestic effluent is 60 CMD for which STP provided.
- SRO Pune-I reported that secondary APC system is installed which is in operation.
- As earlier consent condition Industry has not yet submitted the Bank Guarantee.
- Regional officer Pune Recommended for grant of consent to operate with amalgamation for period upto 31.12.2013, subject to submission of Bank Guarantees.
- Industry replied SCN. The work of CAAQ/Stack within consented standard will be taken up before 15/07/2013 & unit requested for exemption of BG. We may not consider the request of unit for exemption of BG & get the status report from RO/SRO on the APC
- We may place the consent application before CAC for further consideration.

CAC Item No. 06

**Name of the industry: - M/s. Virgo Engineers,
Plot No. 278, Raison Park,
Tal:- Mulshi, Dist:- Pune 411057**

- Applied for renewal of consent with expansion.
- Application received at SRO-Pune-I on dtd 22/02/2013 and at HQ on 18/04/2013.
- Previous consent was valid up to 30/09/2011
- Indl. Effluent quantity 4.5 CMD for which they have provided effluent treatment plant of 5.0 CMD capacity and Dom. Effluent 41.0 CMD provided sewage treatment plant of 55 CMD capacity.
- Industry has provided APCs to paint booth, shot blasting unit and DG sets.
- Regional officer Pune recommended for grant of renewal of consent with expansion subject to submission of reply to queries raised by SRO.
- Unit & SRO-II replied SCN. The increase in CI is due to modernization/replacement of machineries to achieve better quality. They have upgraded ETP and also submitted reply to queries raised by SRO. We may grant renewal with expansion for period upto 30/09/2014 with BG of Rs. 5/- Lakhs towards O & M & submission of company Board Resolution as unit has done expansion without permission of Board..
- We may place the consent application before CAC for further consideration.

CAC Item No. 07

**Name of the industry: - M/s. Haier Appliances (India) Pvt. Ltd.
B-3, Ranjangaon growth center, MIDC,
Ranjangaon Tal. Shirur, Dist. , Dist Pune. 412 208**

- Applied for renewal of consent with expansion.
- Application received at SRO-Pune-II on dtd 27/02/2013 and at HQ on 07/05/2013.
- Previous consent was valid up to 28/02/2013
- Earlier C. I. of industry 70. 52crs now it is 96.21 cr (Increase Rs. 25.69 Crs)
- Industrial effluent is 58.0 CMD for which ETP of 60 CMD capacity is provided which comprises of collection tank, equalization tank, Oil and Grease trap, dosing tank, primary settling tank, neutralization tank, Intermediate tank, PSF, ACF, SDB, treated water tank.
- Domestic effluent is 52 CMD for which they have provided septic tank and soak pit. Industry has proposed to install STP of capacity 75.0 CMD for treatment of Domestic Effluent. Proposal regarding installation of STP is submitted by industry (copy enclosed) and further reported that work of STP will be completed by end of May-2013.
- Dry type paint booth with filter is provided. Phosphating is carried out with diluted acid and provided with fume extraction system. For paint oven adequate height of stack is provided.
- Industry has carried out expansion without obtaining consent to establish from the Board Thus RO Pune has forwarded the case for the decision taken at higher level.
- As per inspection report dated 28/06/2013 & report submitted by SRO Pune-II, they have carried out expansion, but present production level is below the present consented limit. Work of STP is under progress and likely to complete by July 2013. Unit is disposing Haz. Waste to CHWTSDF. We may keep the renewal of Expansion in abeyance till the completion of STP.
- We may place the consent application before CAC for further consideration.

CAC Item No. 08

Name of the Industry : M/s. Crompton Greaves Ltd,
Survey no.1005, 1007-9, 1011, 1013,1014,1017,1019
Kanjurmarg East, Mumbai-400042.

1. Application for grant of renewal of consent to operate submitted by industry on 21.12.2012.
2. Application received at H.Q. on 09.04.2013.
3. Industry has submitted Environmental statement for the period 2011-2012.
4. RO- Mumbai has recommended case for grant of consent to operate subject to verification of no increase in production quantity.
5. This case was discussed in the CAC meeting held on 31.05.2013. In this meeting it was decided to issue SCN for refusal of consent as STP is not provided, there is increase in production qty but non submission of no increase in production qty and expansion is prohibited in MMR-I area.
6. SCN was issued to industry on 18.06.2013. Industry has submitted reply on 28.06.2013 stating that Domestic effluent /sewage arising from workers washing activities. They have provided preliminary treatment facility [Screening, settling and anaerobic septic tank]. BOD and SS parameters achieved within consented limits and overflow is connected to sewer system of MCGM. Industry has proposed to install STP up to March, 2014. Industry has requested to grant consent for only existing consented production quantity.
7. Recommended to grant consent to operate up to 31.05.2016 subject to industry shall submit the BG of Rs.5 Lakhs towards installation of STP up to 31.03.2014 and industry shall not undertake additional production without permission from the Board.

CAC Item No. 09

Name of the Industry: Thyssenkrupp Electric Steel India Pvt Ltd.
A/p –Gonde, Vill: Wadivarhe,
Tal: Igatpuri, Dist: Nashik.

1. Applied for grant of renewal of Consent to Operate on 24.12.2012.
2. Application grant of renewal of Consent to operate at H.Q. on 28.01.2013.
3. Paid Consent fee of Rs.48, 66,310/-.
4. Water Cess paid up to Sept-2012.
5. Environment Statement for the year 2011-2012 submitted.
6. SRO/RO Nashik recommended for grant of renewal of Consent to Operate up to 28.02.2018.
7. This case was discussed in the CAC meeting held on 19.03.2013 and it was decided to keep case in abeyance and put up in next CAC with verification of C.I.
8. Industry has submitted justification vide letter dated 05.04.2013. Copy of letter is enclosed.
9. This case was again discussed in the CAC meeting held on 31.05.2013 and it was decided to revert to CAC with compliance of PD issued to the industry on 02.04.2012.
10. RO Nashik has submitted compliance report on 29.06.2013 in respect of proposed directions issued. The directions were issued to the industry on 02.04.2012 due to an accident occurred at cold rolling no.2 in the industry 30.03.2012. Also industry was directed not to start operation of that particular section where accident occurred till prior to inspection and certification of DISH. Industry has informed on 6.4.2012 that Dy. Director, Health and Safety visited industry on 31.03.2012 and conducted the inspection of the said unit and manufacturing activities of the said unit started thereafter.

Recommended grant of renewal of consent to operate up to 28.02.2018

CAC Item No. 10

Name of the Industry : **M/s. Bombay Rayon Fashion Ltd.**
C/o. Islampur Integrated Textile Park Pvt. Ltd.
Vill- Peth Naka, Islampur, Tq- Walwa, Dist- Sangli.

- Industry has applied for 1st Consent to Operate. It is RED/LSI unit.
- Total capital investment is 171.53 Cr. as per CA certificate submitted by industry.
- The proposed site is located in M/s. Islampur Integrated Textile Park (IITP), Gut. No. 905/A4, 905/A5, 924, 926, 944/2, 946/2, 949/2. A/p. Peth, Tq- Walwa, Dist- Sangli – 415407.
- M/s. Islampur Integrated Textile Park has obtained consent to establish for infrastructure project.
- Industry has proposed to manufacture of Gray Fabric - 300 T/M, Yarn waste (By Product) - 12.5 T/M.
- The industry has started trail run of the weaving machinery since December 2011 for training of workers.
- As per C to E granted by board, total consented effluent were 166 CMD (Industrial -106 CMD + Domestic 60 CMD), however now industry has curtailed generation of total effluent to (Industrial 22 CMD + 42 CMD = 64 CMD)
- Industry will be generating of 42 CMD domestic effluents at full capacity utilization which will be treated in ETP comprising of following units as Equalization tank, pH Correction tank, Bar Screen, O & G Trap, Flocculation, Settling Clarifier, UASB Reactor.
- Industry is generating 22 CMD Industrial Effluent from sizing, Boiler Blow Down and Humidification Activity which will be treated by ETP comprising the unit as Equalization tank, Bar screen, O&G Trap, pH Correction tank, Ozone contact tank, Flocculation, Settling Clarifier etc.
- Industry has provided mechanical type Dust Collector to Boiler having stalk height of 30 m.
- Industry has paid requisite consent fees Rs 3,43,060/-
- SRO Sangali has recommended for consent to operate up to 31.07.2013.
- Considering modification made by industry and provided ETP and STP with network for disposal of treated effluent partly for toilet flushing and remaining on land for plantation for this reduced quantity of effluent and water consumption as (DE- 22 CMD & DE – 42 CMD as per mail dt. 03.07.2013) it is recommended to reconsider and review CAC decision dt. 26.09.2012 to keep case in abeyance till completion of CETP and to grant 1st C to O with reduced IE and DE for disposal on land in company's premises making zero discharge outside the premises till CETP is commissioned. Once CETP is commissioned Company shall discharge treated effluent to CETP if agreed. As per FO report dt. 11.01.2013 and 29.05.2013 industry has started partial production without C to O.

FRESH AGENDA

CAC Item No. 01

Name of the Industry:- M/s. Ghatge Patil Industries Ltd ,
S.No-362,A/365,A/4B,A/P-Uchgaon,
Kolhapur.

Applied for renewal of consent & consent to operate for expansion.
Existing consent is valid upto 31/7/2013 and have obtained consent to Establish for Expansion.
Obtained Environmental Clearance for the increased product quantities.

Provided ETP for indl. effluent, provided fume extraction system followed by cyclone dust collector,
provided cassette type dust collector for sand plant, knock out section.

Provided scrubber to nickel plating section.

Submitted Environment statement for year 2011-2012. Cess paid upto May 2012 and submitted
returns upto April 2013.

Submitted BG of Rs.5.0 lacs as per earlier consent condition.

SRO/RO recommended grant of consent upto 30/9/2014.

We may grant renewal with first operate for expansion for period upto 30/9/2014, with extension of
BG of Rs. 5.0 lacs upto 31/1/2015.

We may place the case before CAC for further discussions.

CAC Item No. 02

**Name of the Industry: M/s. Sunflag Iron and Steel Co.Ltd.,
At: Eklari, Tal: Mohadi, Dist: Bhandara.**

1. Board has granted conditional consent vide letter dated 18.10.2011 which is valid up to 31.07.2013.
2. R.O. Nagpur vide letter dated 01.12.2012 received on 24.12.2012 has submitted the present status report of the industry mentioning the non-compliances of consent conditions and directions.
 - i) Heavy emission from DRI Plant.
 - ii) Emission in SMS plant.
 - iii) Discharge of effluent into local nalla.
 - iv) Scrubbing system at pickling plant not in operation.
 - v) ESP Field of DRI Plant-1 was out of order.
 - vi) Fugitive emission observed.
3. Analysis results of ambient air quality monitoring, Stack emission monitoring are exceeding the standards.

In view of above , we may forfeit the Bank Guarantee of Rs. 15 lakhs towards non-compliance of consent conditions and directions.

CAC Item No. 03

**Name of the Industry :- M/s. D-décor Exports,
Plot No. G-7/1, MIDC Tarapur,
Palghar Dist. Thane.**

- 1) Applied for renewal of consent . Application submitted at SRO on 22.04.13 & at HQ on 22.06.13
- 2) Textile processing industry. IE 1844 CMD. Provided secondary & tert. treatment.
- 3) JVS results dtd 20.03.13 are slightly higher than consented parameters i.e SS 106 mg/ltrs, BOD 120 mg/Ltrs, COD 296 mg/Ltrs as compared to standards, how ever JVS results dtd 05.02.13 are within prescribed limits. Treated effluent is sent to CETP.
- 4) Multicyclone dust collector provided to Coal fired boiler as an APC system,.
- 5) Cess paid upto September 2012 & returns submitted upto 31.03.13.
- 6) SRO & RO recommended for renewal of Consent upto 31.05.16.
- 7) AS per sectorial approach consent validity to textile ind is upto Jan.
- 8) Recommended for renewal upto 31.01.16 with balance fees of 4 months & BG of Rs 5.0 lakhs for O & M of PCS ,Rs 5 lakhs for provision of Wet scrubber as an APC within six Months Period. Considering Tarapur MIDC area we may insist for upgrading ETP to at least recyle/reuse 50% of treated effluent by providing RO & MEE with 1 year time with BG of rs 5.0 lakhs towards improvement in CETP functioning.

CAC Item No. 04

Name of the Industry : **M/s. Naval Dockyard , Lion Gate,
Shahid Bhagat Singh Road,
Mumbai 23**

Application received for grant of Renewal of Consent for Naval Warships/submarines Repair Activity(Defense Industrial Establishment)

Application Received at SRO Mumbai on 11/3/2013 and at HQ on 31/05/2013.

Previous Consent was valid upto 31/12/2012.

Water Consumption-1500 CMD.

Industrial Effluent generation-20 CMD

Domestic effluent generation-1200 CMD.

SRO Reported that,Applicant has not provided STP and ETP.

Non Hazardous Waste generation is Nil.

Applicant is member of CHWTSDF,Mumbai Waste Mangement Ltd.,Taloja which is valid upto 31/3/2014.

Applicant has submitted

1)Environmetal Statement for the year 2011-2012.

2)Cess paid upto 31/12/2012.

There is no BG Condition mentioned in earlier consent granted by the Board.

RO Mumbai has submitted query letter to applicant for following non compliances:

- 1) Installation of ETP consisting primary ,secondary and tertiary treatment.
- 2) Since PP has not provided STP, ie untreated sewage is being discharged to MCGM Sewer line/drain,as working strength of industry is 6-7 thousands alongwith floting population of 3-4 thousand indicate quantum of domestic waste water generation may be in the range of 7-8 thousand CMD.
- 3) PP has started construction of new dry dock in same premises without consent from Board.
- 4) RO has requested to PP to submit time bound programme for installation of ETP and STP.

Applicant has submitted reply of said letter dated 10/5/2013(Copy attached)

ROMumbai recommended C to Renewal subject to obtaining necessary BG for installation and operation of STP and ETP.

We may place the application in CAC for further decision.

MAHARASHTRA POLLUTION CONTROL BOARD

CAC Item No. 05

**Name of Industry : M/s. Maharashtra State Power Generation Co. Ltd.,
Bhusawal Thermal Power Station (Unit 4 & 5),
At. Deepnagar, Tal. Bhusawal, Dist. Jalgaon.**

1. Application for grant of renewal of consent to operate submitted by industry on 11.10.2013.
2. Application received at H.Q. on 22.05.2013.
3. Regular complaints are received by nearby villagers regarding leakages of ash slurry carrying pipeline to velhala bund due to that ash slurry effluent goes to Velhala Lake, nearby canal, nearby farms, Bhogawati and Tapi river.
4. Analysis results of stack and ambient are exceeding the consented limits.
5. Unit authority has submitted BG as per the previous consent condition.

Recommended to issue SCN for refusal of renewal of consent to operate.

CAC Item No. 06

**Name of the Industry: M/s Ceat Ltd.,
Plot No. 82, MIDC, Satpur,
Tal. & Dist. Nashik.**

1. Industry had submitted application at SRO Office on 5/04/13 for grant of renewal of Consent to Operate.
2. Industry was granted Consent to Operate on 19/01/2012 for mfg. of Automotive Tyres-6,300 MT/M; Automotive Tubes-720 MT/M & Flaps-210 MT/M with the validity upto 31/05/2013.
3. R.O.(Nashik) had issued proposed directions to the industry on 16/06/12 for non-compliances observed and interim directions were issued on 15/09/12.
4. S.R.O.(Nashik) has reported about compliance of the conditions of the interim directions made by the industry to R.O.(Nashik) on 7/06/13.
5. Now, industry has applied for grant of renewal of Consent to Operate of existing unit with increased C.I. of 57 lakhs on account of modification of existing plant & machinery.
6. SRO has reported that as per CPCB's direction regarding categorization, "Tyres and tube vulcanization/hot retreading" is covered in Orange category at Sr. No. O-72. But, "Synthetic Rubber excluding Moulding" is placed in Red Category at Sr. No. R-79. Hence, renewal of Consent to Operate may be granted under Red category due to higher pollution potential.
7. Industry has paid Consent to Operate fee for 2 years including fee towards CtE for increased C.I. of Rs. 57 Lakh as follows:

DD No.	Amount	dtd.	drawn on
020172	12,39,200/-	26/03/2013	ICICI Bank
020171	5,000/-	26/03/2013	ICICI Bank

8. Renewal of Consent to Operate may be granted under Red category for 2 years by imposing condition to extend existing B.G. of Rs. 5.0 Lakh towards O&M of pollution control Systems after its expiry.

 - (ii) provision of water meter system at ETP outlet alongwith lock & key arrangement,
 - (iii) strictly adhere to treated effluent discharge to CETP as per Consented quantity of 595 m³/day,
 - (iv) recycle 400 m³/day of the treated effluent into process, 150 m³/day for gardening and maintain the record in register,
 - (v) total production quantity of 41 Nos. of Bulk Drug products shall not exceed 1,449.75 TPA and that of 2 Nos. of byproducts shall not exceed 273.75 TPA.
 - (vi) extend the validity of existing B.G. of Rs. 5.0 Lakh towards O&M of pollution control systems.

CAC Item No. 08

**Name of the Industry: M/s Seya Industries Ltd.,
(Formerly known as M/s Sriman Organic Chemical Industries Ltd.),
Plot No. T-13/14, MIDC Tarapur,
Tal. Boisar, Dist. Thane.**

1. Industry had submitted application at SRO Office on 25/03/13 for grant of renewal of Consent to Operate with change in product mix.
2. Industry was granted Consent to Operate in the name of **M/s Sriman Organic Chemical Industries Ltd.** on 13/12/2011 for mfg. of 5 Nos. of main chemical products with the total production quantity of 1,580 MT/M and 4 Nos. of byproducts with the total quantity of 2,521 MT/M with the validity upto 31/03/2013.
3. Industry has obtained Consent to Establish for expansion in the name of **M/s Seya Industries Ltd. on 30/01/13** for mfg. of 2 Nos. of main chemical products with the total production quantity of 514 MT/M and 3 Nos. of byproducts with the total quantity of 4,852.45 MT/M with the validity upto commissioning of the unit with the condition **to not to take effective steps for expansion without obtaining EC, to achieve the Zero discharge from expansion activity and submission of B.G. of Rs. 5.0 Lakh.**
4. Now, industry has undertaken expansion of its plant & machinery without obtaining E.C. from the Competent Authority and applied for grant of renewal of Consent to Operate of existing unit, Consent to 1st Operate for expansion and amalgamation of the two Consent **claiming benefit of change in product mix** for mfg. of 7 Nos. of main chemical products with the total production quantity of 2,094 MT/M and 7 Nos. of byproducts with the total quantity of 2,005.35 MT/M
5. Industry has submitted proforma of self assessment of "No increase in pollution load" and Certificate issued in this regard by BATU dtd. 2/05/13.
6. Existing industry was having valid Consent upto 31/03/2013. Also, having Consent to Establish for expansion with E.C. condition. However, E.C. is not obtained so far.
7. C.I. increased from Rs. 48.18 Cr. to Rs. 99.22 Cr.
8. As there is increase in production quantity further basis of calculations for calculating no increase in pollution load doesn't support, hence request of the project proponent to consider the case under product mix as per EIA Notification may not be considered.
9. SRO/RO recommended to take decision at higher level.
10. Industry has paid Consent to Operate fee for 5 years as follows:

DD No.	Amount	dtd.	drawn on
051266	6,25,000/-	21/03/2013	HDFC Bank
11. We may consider the case for plain renewal of Consent and issuance of SCN for refusal for expansion with B.G. of Rs. 5.0 Lakh each towards towards O&M of pollution control systems and for not taking effective steps towards expansion.

CAC Item No. 09

Name of Industry:- M/s. Kirloskar Brothers Ltd.,

Vill:- Kirloskarwadi, Tal:- Palus, Sangli.

Applied for modification in existing plant & machineries without any change in the existing products and its quantities.

The CI for modification is Rs. 3.12 crores.

Modification carried out paint booth, Grit Blasting chamber, ACS riser cutting machine fume extraction system, installation of DG set etc.

The modification are already carried out, for this non compliance RO Kolhapur had issued SCN to said industry, industry have submitted the reply and accordingly applied for consent.

There is no additional requirement of any water consumption and no generation of additional indl or domestic effluent.

Have provided ETP for existing indl effluent.

The BG of Rs. 10.0 lacs is valid upto 30/11/2013, which was obtained for compliance of consent conditions.

SRO recommended grant of consent for modification & amendment in original consent.

We may consider Modification, amalgamation to existing consent with extension of existing BG upto 30/4/2014 & company Board resolution as done modification without consent.

We may place the case before CAC for further discussions.

CAC Item No. 10

Name of the Industry : **M/s. Ascent Hotels Pvt. Ltd., Hyatt Regency Pune,

There are complaints from villagers regarding the contamination of well water in the vicinity, accordingly RO issued SCN to industry, industry have submitted reply stating that they have appointed expert Geological team of Pune University & work is in progress.

JVS results are within limit.

SRO/ Ro recommended grant of renewal of consent.

We may grant the renewal of consent upto 30/6/2015 with operation BG of Rs. 5.0 lacs against each FGD and another BG of Rs.5.0 lacs towards o&m of other pollution control system.

We may place the case before CAC for further discussions.

CAC Item No. 12

Name of the Industry: M/s. Grace Industries Ltd.,

A-23, MIDC Tadali Growth Center, Chandrapur.

Applied for 1st consent to operate for 25 MW Power Plant.

1. Obtained Consent to Establish dated 18.11.2006.
2. The issue of environment clearance is under consideration with SEIAA, Govt. of Maharashtra
3. The case was discussed in CAC meeting held on 12.03.2013 and it was decided to keep the case in abeyance and put up in next CAC with clarification of Environmental Clearance.
4. In view of Established Unit without Environmental Clearance and Board has already refused the expansion project of power plant from 25 MW to 33 MW. Hence, we may issue stop work notice to the plant due to construction without E.C./Consent to Operate.

REVIEW ITEM NO. 01

Name of the Industry: **M/s. JSW Ispat Steel Ltd [Captive Jetty].**
Geetapuram, Dolvi,
Tal: Pen, Dist: Raigad.

1. In the CAC meeting held on 31.01.2013, Board has granted consent to operate for captive jetty up to 31.08.2016. with the condition that industry shall submit operational B.G. of Rs.10 Lakhs
2. Industry has submitted BG of Rs.10 Lakhs.
3. Now, M/s JSW Ispat Steel Ltd vide letter dated 08.05.2013 requested to allow raw material handling of M/s Amba River Coke Ltd and M/s JSW Cement Ltd at the above jetty.
4. M/s JSW Ispat Steel Ltd and M/s Amba River Coke Ltd have entered into the agreement that whole product of M/s Amba River Coke Ltd will be brought by M/s JSW Ispat Steel Ltd for their proposed expansion requirements. Also, M/s JSW Cement will import clinker transported through jetty for production of cement. Both of these companies will perform activities that are integral of the business of M/s JSW Ispat Steel L
5. td, which otherwise would have required to be performed by JSW Ispat on its own.

Hence we may amend consent to operate of the jetty and permit the captive jetty of M/s JSW Ispat Ltd for material handling of M/s Amba River Coke Ltd and M/s JSW Cement Ltd without any change in material handling qty mentioned in the consent [Captive jetty] .

Submitted for taking further decision in the matter in the CAC
