Directions				
1	Directions U/s. 18(1)(b) of the Air (P & C P) Act, 1981 in case of M/s. Koradi Thermal Power Station of MAHGenco			Minutes are kept in abeyance

General points:

1. CAC decided to frame a policy in cases where industries have carried out expansion again without permission from Board even after prescribing condition of submission of Board Resolution in previous consent. If such violation is found, then Board shall initiate prosecution.
2. In cases where stack height is not adequate, letter to industry for their say on inadequacy of stack ht shall be issued and consent shall be granted subject to clarification of such letter and incorporating the reference of letter.
