17	Application of Godavari Biorefineries Ltd., Ahmednagar for consent to Establish for Expansion (Regularization of products CDU & Croto-Resin)	Approved Consent to Establish	<p>As per the recommendations of CPCB, it was decided to grant Consent to establish for the recovery of Crotonaldehyde-Di-Urea and Croto resin from Hazardous waste generated from Crotonaldehyde plant with standard conditions to sell as by-product. If industry fails to sell the same, it shall be sent to hazardous waste facility for incineration.</p> <ol style="list-style-type: none"> a. The consent is granted without prejudice of the orders passed or being passed by the Hon'ble NGT. b. Industry shall submit compliance of zero liquid discharge and installation of online monitoring system/web camera prior to application for consent to 1st operate c. This consent is issued in pursuance to the letter of CPCB dated 11.08.2016
18	Application of Godavari Biorefineries Ltd., Ahmednagar for amendment in existing consent for inclusion of new R & D products	Approved Amendment in Renewal of consent to Operate	<p>As per the recommendations of CPCB, it was decided to grant amendment in existing consent for inclusion of new R & D products by imposing following conditions:</p> <ol style="list-style-type: none"> a. The amendment shall be granted for a period of six months. After submission of the compliance report for zero liquid discharge, the validity of the same shall be extended.

				<p>b. The unit shall install online monitoring system/web camera.</p> <p>c. The consent is granted without the prejudice of the orders passed or being passed by the Hon'ble NGT.</p> <p>d. This consent is issued in pursuance to the letter of CPCB dated 11.08.2016.</p>
19	Request to waive the condition of Board Resolution of M/s. Schreiber Dynamix Dairies Ltd., Plot No. E-94, MIDC Bhigwan & G. No. 88-89 & 91-92, Rui, Tal. Baramati, Dist. Pune			The agenda item was discussed in CAC meeting held on 16.09.2016.
20	Application of I.G. Petrochemicals Ltd., MIDC Talaja, Dist. Raigad for Amendment in existing consent to operate for increase in product quantity by recovering from waste residue.	Approved Amendment in existing consent to operate	--	<p>It was noted that as there is no generation of any effluent from the recovery of benzoic acid from waste residue and scrubber effluent.</p> <p>It was noted that industry is going to adopt cleaner technology and there is no increase in overall pollution load therefore it was decided to grant amendment in existing consent to operate for increase in product quantity of benzoic acid from 1000 MT/A to 1250 MT/A by imposing the following conditions:</p> <ol style="list-style-type: none"> 1. This consent is issued in accordance with MoEF, GoI circular dated 14.12.2006. 2. This amendment in consent is granted on the basis of the no increase in pollution load by ICT, Mumbai dated 31.10.2015. 3. Industry shall install online monitoring system including flow meter within a period of 03 months and submit BG of 10 Lakh to ensure the compliance of the same. <p>It was further decided that industry shall carry out study from NEERI / IIT to verify whether there is change in main manufacturing process or by using cleaner technology for increase in benzoic acid production. Accordingly consent shall be issued.</p> <p>It was also decided to amend the consent for inclusion of pilot plant doing trials on PA process.</p>
21	Application of I.G. Petrochemicals Ltd., MIDC Talaja, Dist. Raigad for Amendment in existing consent to operate for	Consent to establish for plasticizers	COU	<p>Committee noted that industry has obtained EC for Di ethyl phthalate (DEP) and Di methyl Pthalate (DMP) on 25.01.2016 with condition that project proponent should achieve zero Liquid discharge by incorporating MEE.</p> <p>CPCB has issued modified directions u/s 31 (b) vide dated 31.03.2016 and allowed the expansion of industries in area where CETPs are non-complying with condition</p>

	increase in product quantity by recovering from waste residue.			<p>to achieve zero discharge.</p> <p>In view of above, it was decided to grant consent to establish for expansion with following condition.</p> <ol style="list-style-type: none"> 1. Industry shall comply the conditions of the EC granted vide letter dated 25.01.2016 and submit BG of Rs 10 lakhs for compliance of EC and consent to establish conditions. 2. This consent is issued in pursuance to the directions issued by CPCB vide letter dated 31.03.2016 3. Industry shall 100% recycle the treated effluent in process by providing MEE to achieve zero discharge for expansion project. 4. Industry shall install online monitoring system as per the directives of CPCB including flow meter at various stages of recycling points and at discharge point to CETP and submit BG of Rs. 10 Lakh to ensure the compliance of the same. 5. Industry shall install separate energy meter to MEE.
Policy Agenda				
22	Application of M/s. Balaji Boating, Gat No. 218, At Kusegoan Post, Chandkhed, Tal. Maval, Pune for Consent to Establish	Approved Covering Boating activity in consent regime	CoU or 5 years whichever is earlier	<p>The proposal for grant of consents to Boating activity was discussed in details. It was decided to grant consent to respective authority i.e., irrigation dept, Municipal corporation/council etc., under their respective jurisdiction such rivers/lakes etc., are located & have applied for consents for boating activities, instead of granting consent to individual boats.</p> <p>After due deliberations it was decided that JD (WPC) to prepare guidelines along with conditions to be incorporated in the consent.</p> <p>In the instant case it was decided to return the case & inform the proponent to communicate to concerned authority to submit application for grant of consent.</p>
Agenda Note				
23	M/s. JSW Steel Coated Products Ltd., 176, 180/1 to 10, 271, 272, 273, Vashind, Tal. Shahapur, Dist. Thane	Approved Amendment in consent for Inter-state transportation of Hazardous Waste for re-processing	---	<p>It was noted that the industry is generating spent acid and the same is being re-processed in the captive ARP of capacity 42 KL/D. During shut down/maintenance of the captive ARP the industry is presently disposing the spent acid to M/s. Indrox, Tarapur.</p> <p>It was decided to consider the request of industry to send their spent Acid to additional authorized re-processors located in Madhya Pradesh & Gujrat with condition that the industry shall comply with the Hazardous Waste (M & TM) Rules</p>

		& provisional permission for sending spent acid outside Maharashtra on regular basis for 45 to 50 days.		<p>2016.</p> <p>It was also noted that the industry has requested provisional permission for sending spent acid outside Maharashtra state to authorized re-processors. The industry being in operation for more than 10 years with shorter shut downs of ARP for maintenance has now decided to have major shut down of ARP for 45 to 50 days.</p> <p>It was decided to consider the request of the industry to send the spent acid outside Maharashtra for 45 to 50 days on regular basis with condition that the industry shall comply with the Hazardous & Other Wastes (M & TM) Rules 2016. Industry shall inform Regional Officer, Kalyan the actual period of shut down before taking the same.</p>
24	Policy for grant of Consents to Stone quarries.			<p>It is noted that as per the new categorization of the CPCB stone crusher activities falls under orange category.</p> <p>It is further noted that the stone quarries are attached to the stone crushers which are not comes under the Consent management regime in orange category.</p> <p>Therefore it was decided that stone quarries having area 5 hector and above are bring in to the Consent regime.</p> <p>It was also decided that for the stone quarries having area below 5 hector standard guideline to be circulated to the District Collector for implementation.</p> <p>It was further decided that no stone quarry activities allowed in the eco sensitive area.</p>
25	Note on M/s. Ambuja Cement Ltd., Unit Maratha Cement Works, At Uparwahi, Tal. Koparna, Dist. Chandrapur	Approved Amendment in consent to Operate for use of gypsum in cement plants	----	<p>Industry has applied for amendment in consent to Operate for use of chemical gypsum in cement plants for co-processing of hazardous waste.</p> <p>It was noted that CPCB in June 2016 has issued Standard Operating Procedure (SOP) for utilization of chemical gypsum for use in cement plant.</p> <p>It was therefore decided to grant amendment in consent to operate for use of chemical gypsum for co-processing in their cement plant.</p> <p>Consent shall be amended after obtaining verification report on compliance of guidelines as per SOP issued by CPCB from SRO.</p>
25	Note on M/s. Koradi T.P.S. (3x660MW Koradi Exp. Project), Koradi, Tal.			The agenda item was discussed in CAC meeting held on 16.09.2016.

	Kamptee, Dist. Nagpur			
	Table Items			
1	Integrated Nuclear Recycle Plant, BARC, INRPC, BARC, PO Ghivali, Tarapur, Dist. Palghar	Approved Establish	COU or 5 years whichever is earlier	The representative of the industry made detailed presentation before CAC with respect to water budget, copy of Environmental Clearance etc., It was decided to grant consent to Establish after obtaining the requisite information from the industry.
2	M/s. Owens Corning (India) Ltd., Plot No. T-28, MIDC Phase-II, Taloja, Dist Raigad	Approved Consent to Establish for Expansion	COU or 5 years whichever is earlier	Committee noted that CPCB has modified the directions u/s 31 (b) dated 31.03.2016 and allowed the expansion of industries in area where CETPs are non-complying with condition to achieve zero discharge.
