17	M/s. Sandoz Pvt. Ltd., Plot No. D-31/32, TTC MIDC Turbhe, Navi Mumbai	Approved Renewal	31.03.2015	<p>Joint Director(PAMS) pointed out that the show cause notice was issued to it in pursuance of the order passed by Hon'ble High Court of Judicature at Mumbai in Public Interest Litigation No.17/2011, wherein, the High Court has directed that highly polluting large scale units discharging highly polluted effluent and thereby, disturbing the functioning of CETP should be identified and stringent action shall be initiated against such units.</p> <p>Since, the above unit comes under the purview of CAC before initiating stringent action as per the criteria fixed by the Board, it was thought</p>	---

				<p>necessary to obtain permission from the CAC. Hon'ble Chairman was of the view that the HOD should have brought into the processing the exact violations with reference to the Hon'ble High Court orders from time to time in the various cases, which are the subject matter of the High Court petition.</p> <p>JD(PAMS) informed that a number of JVS collected earlier from the above unit prior to sending it to CETP are well within the limit. However, the results of the samples collected on 7/1/2012 & 25/4/2012 are very much on higher side. Therefore, show cause notice was issued on 16/07/2012.</p> <p>The unit has replied to the said show cause notice, stating that it has also collected samples through approved Laboratory and the said results are well within limit. The CETP is also collecting the samples and those samples are also not exceeding, therefore, they suspect some error in analysis. Considering the track record of the industry and reports of sample collected by CETP and report of MoEF approved laboratory, Hence, it was decided to grant renewal of consent with the condition that industry shall stop discharging spent solvent into ETP and it shall be disposed to CHWTSDF or solvent recovery and submit BG of Rs. 5 lakhs against the compliance of the same.</p> <p>It was also decided that whenever,</p>

				<p>1974, the Air (Prevention & Control of Pollution) Act, 1981 and the Authorization under the Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008. It was also decided that the Form of Review Application and the procedure for deciding the same on the lines of the provisions in respect of Appeal shall be discussed in the ensuing Board Meeting and accordingly, a proposal can be sent to the Environment Deptt., Govt. of Maharashtra for making necessary amendment in the combined Consent and Authorization granted by the Board on the basis of review application/s received by the Board.</p> <p>It was decided to issue afresh circular in supersession of earlier Circular issued by the Member Secretary, vide no.BO/P&L Divn./B-1791, dtd.20/3/2012 about procedure for issuance of grant/suspension/ refusal/ revocation of consent/s and implement the same by 1st Aug, 2012.</p>	
4	Review of Consent granted under Auto Renewal Scheme	---	---	<p>CAC reviewed the consent granted under auto-renewal scheme, it was decided to take following measures to promote auto-renewal scheme effectively.</p> <p>1) To further simplify auto renewal scheme for Green (Non-polluting) Category industries and Orange (Cleaner Technology Adopted as well as not having pollution potential) units to</p>	

				<p>consider grant of semi-auto renewal on the basis of Self-Certification by the applicant himself.</p> <p>2) In order to further simplify auto-renewal process for other Red & Orange industries having pollution potential, auto-renewal without change in conditions of last valid consent, grant of such renewal, can be considered on the basis of resolution authorizing Authorised-Signatory to submit self-certification submitted.</p> <p>3) A decision was taken to promote a Fast-Track for encouraging renewal system by preparing a check list of points, which may be taken into consideration for speedy disposal of other consent applications without any change in consent conditions such as submission of Environment Statement, Hazardous Waste Manifesto, payment of cess details, Bank Guarantee, Forfeiture of earlier Bank Guarantee and top up without extension of time for compliance of remaining work, disposal as per consent as integral part of processing application.</p> <p>4) To segregate procedure of grant of consent from legal action, though legal action and CMS compliance can be examined in CAC separately.</p>	
--	--	--	--	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

The consents shall be disposed after obtaining necessary consent fee difference from the industry as per GoM, Revised Consent fee structure dtd. 25.08.2011.

Further, CAC decided to prepare consolidated report for Sugar, Power, Automobile and Steel sector for CAC industries which shall cover following points;

- a) Inventorization of said industries in Maharashtra including present status of compliances
- b) Compliance of consent conditions, MoEF/CREP guidelines and specific compliances towards CRZ/Environmental Clearance related to Environment.
- c) Identification of constraint faced by the industry towards implementation of standards.
- d) Identification of grey areas where attention of regulatory authority is required.
- e) Performance evaluation of BAT provided by the industries, if any and its comparison with conventional technology available with the industry.
- f) Benchmarking of the pollution control system
- g) Preparation of directions as per legal matrix based on findings of the report about non-compliances observed to fill the gaps

A report on Sugar, Co-gen and Distillery plant shall be prepared by RO(HQ), Power, Automobile & Steel sector shall be prepared by JD(APC) and same shall be placed in next CAC.

Because of want of time other agenda items placed before the CAC could not be discussed, it was decided that these items can be considered in the next CAC meeting.

The meeting ended with vote of thanks to the Chair.
