As per the Office Order dated 12.04.2018, Hon'ble Chairman has authorized the Member Secretary to take the decisions of CAC cases during his leave of absence. Accordingly, 41 nos of CAC cases [Book-let no. 2] has been discussed during the Consent Committee meeting (CC) held on 05.05.2018 and following decisions were taken.

Sr. No.	Application Unique Number	Industry Name & Address	Decision on grant of consent	Consent granted upto	Remarks / Discussion
1.	MPCB- CONSENT- 0000008076	EXCEL INDUSTRIES LIMITED., Plot No. D-9 MIDC AREA LOTE PARSHURAM KHED	APPROVED Withdrawal of 1st Consent to Operate	--	<p>The committee noted that Industry has applied for amendment in change in product mix ie.6 Nos. of products without change in overall limit of total consented production quantity ie. 16,650 MT/A and submitted no increase in existing pollution load certificate due to proposed changes of ICT, Matunga, Mumbai.</p> <p>Industry requested vide letter dated 23.4.2018 regarding not to consider the application for grant of consent also allow to withdraw the said application.</p> <p>In view of above, It was decided to consider the request of the industry to return the application.</p>
2	MPCB- CONSENT- 0000013991	JSW DHARAMTAR PORT PVT LTD., Waterfront DHARAMTAR Pen	APPROVED Plain renewal of Consent to Operate NOT APPROVED 1st Consent to Operate (Part)	31.08.2019	<p>The Committee noted that</p> <ol style="list-style-type: none"> 1. <i>PP has applied</i> for plain renewal of consent (Jetty length of 331.5 mtrs) for handling capacity 13,50,000 MT/M. (i.e. 16.2 MTPA). 2. PP has applied for first C to O for expansion for length 395 mtrs with proportionate handling capacity of 8,40,000 MT/M. (i.e.10.08 MTPA) (total length 726.5 mtrs including existing Jetty length and first phase expansion) for which C to E and EC including CRZ Clearance already obtained. 3. The MoEF and CC has also accorded EC for Jetty expansion project with length 1750 mtrs on 26.11.2015. 4. It is also noted from SRO remark that the work of expansion for first phase of Jetty is already completed and is ready to operate. 5. Committee also noted the reply received from Maharashtra Maritime Board (MMB), GoM dated 4.5.2016 stating that JSW Dharamtar Port had carried out repairs of the Dilapidated Jetty structure of the Jetty and integrated adjacent test pile which was essential to prevent falling of debris in navigation channel and also to avoid any eventualities of accident. They have also stated that the cargo handling operation is carried

					<p>out by the company from designated part of Jetty and restored part of the Jetty is not use for operation.</p> <p>6. Committee also noted the PP's say that there is no court matter pending against Dharamtar port in NGT & High Court.</p> <p>The application earlier discussed in CAC meeting dated 18.10.2016 and 9.2.2018 and was decided to obtain clarification from MoEF & CC, GoI regarding complaint matter.</p> <p>Accordingly, Board has received reply from MoEF & CC, GoI dated 27.3.2018 and noted following observations;</p> <ol style="list-style-type: none"> 1. The initial test piles were dug for geotechnical investigation at the site for the expansion of jetty before grant of EC/CRZ Clearance. 2. Based on the site visit and Sub –Committee recommendation, the above project was recommended for grant of Environmental and CRZ clearance subject to stipulation with specific conditions. 3. In the appeal No.30 of 2016, Hon'ble National Green Tribunal, Western Zone Bench, Pune disposed the application with no order as costs. vide order dated 23rd May,2017. <p>In view of above, it was decided to grant plain renewal of consent (Jetty length of 331.5 mtrs) for handling capacity 13,50,000 MT/M. (i.e. 16.2 MTPA).</p> <p>It was also decided not to consider first consent to operate (part) and keep the case in abeyance and revert back to next CAC alongwith clarity about expansion project</p>
3	MPCB- CONSENT- 0000033941	VINATI ORGANICS LIMITED., B-12, B-13/1,B-13/3,B-4,B-5,B-6 MAHAD MAHAD	NOT APPROVED 1st Operate for expansion	---	<p>Committee noted that industry failed to comply with the ZLD condition stipulated in Consent to establish.</p> <p>Therefore, It was decided to issue SCN for refusal of consent to operate.</p>

4	MPCB- CONSENT- 0000035713	Raychem RPG Pvt. Limited., 1/62 1/62, M.G.Road, Opp Bharat petrol pump, Sativali Village Vasai	NOT APPROVED 1st Consent to Operate	---	<p>Committee noted that PP has applied for 1st consent to operate for expansion. Also noted that the existing consent is not valid. It is also noted that PP has started operation of expansion activity without obtaining consent from the board and also failed to submit BG of Rs. 5 lakh as per consent to establish condition. Industry has failed to submit details about water budget, ETP, STP and production quantity etc.</p> <p>In view of above, it was decided to issue SCN for refusal of 1st consent to operate for expansion due to above non-compliances.</p>
5	MPCB- CONSENT- 0000030425	I.G. Petrochemicals Ltd., Plot No. T- 1 & T-2 Plot No. T- 1 & T-2, Taloja Industrial Area, MIDC Taloja, Dist: Raigad.	APPROVED Renewal of consent of plot no T2 and Amalgamation of two consents of separate plot no T1 & T2	31.08.2021	<p>Committee noted that earlier Board has granted consent to M/s. I.G. Petrochemicals Ltd., at plot no T-2, which is valid upto 28/02/2018.</p> <p>Committee also noted that Board has granted consent to operate to M/s. Mysore Petrochemicals Ltd, at Plot No. T-1, which is valid upto 30/08/2021.</p> <p>Also noted PP's request for amalgamation of both the plots T-1 & T-2 by submitting plot amalgamation order of MIDC dtd. 23/03/2017</p> <p>In view of above, it was decided to grant renewal of consent at plot no T-2 and amalgamation of both the consent of plot T1 and T2 with overriding effect and by imposing following conditions -</p> <ol style="list-style-type: none"> 1. To extend Bank Guarantee of Rs 15 Lakhs towards Operation & Maintenance of pollution control system. <p>The consent shall be issued after – Submission of requisite additional fees, if required.</p>

6	MPCB- CONSENT- 0000037529	Shree Datta Sakhar Karkhana Asurle-Porle (A Unit of Dalmia Bharat Sugar ans Industries Ltd.), 1746,1748 to 1756 Asurle-Porle Panhala, Satara	NOT APPROVED 1st Consent to Operate	---	Committee noted that JVS results of existing unit are exceeding the consented standards and also failed to submit the NOC from CGWA/irrigation department for utilization of ground water/surface water. In view of above, it was decided to keep the case in abeyance and also decided to forfeit the BG of Rs. 5 lakh towards exceeding the JVS results of existing unit.
7	MPCB- CONSENT- 0000038456	Jindal Poly Films Limited., 398 28th Km Milestone, NH 3, Nasik Igatpuri Highway, Village Mundhegaon, Taluka Igatpuri, Distt NASHIK	APPROVED 1st consent to operate for expansion and amalgamation with existing consent	30.09.2020	The Committee noted that existing consent is valid up to 30.09.2020 and applied for 1 st operate for expansion. Also, noted that Effluent generation from expansion activity is Nil and provided ETP with online monitoring system to the existing unit. 35	MPCB- CONSENT- 0000027903	Hindustan Petroleum Corporation Limited (HPCL Mumbai Refinery, B.D. Patil Marg, Mahul) survey no. 234/482 Mumbai Refinery, East of B.D. Patil Marg Kurla	APPROVED Consent to Establish for expansion for refinery from 7.5 MMTPA to 9.5 MMTPA including Addition of Propylene Recovery Unit (PRU) and revamp of existing Captive power plant.	COU Or 5 years whichever is earlier	The Committee noted that industry has applied for consent to establish for expansion for refinery expansion from 7.5 MMTPA to 9.5 MMTPA including Addition of Propylene Recovery Unit (PRU) and revamp of existing Captive power plant. Industry has obtained consent to operate for 7.5 MMTPA which is valid upto 31.08.2020. They have obtained EC dated 31.01.2017 for proposed expansion of 2 MMTPA and addition of Propylene Recovery Unit (PRU) and revamp of existing Captive power plant (CPP). By considering the impact of air emission including VOC on the surrounding area by conducting EIA Study & based on which EC has been granted by MOEF & CC we may consider the proposal for consent to Establish for the proposed expansion of refinery from 7.5 MMTPA to 9.5 MMTPA by imposing control measures to be suggested by NEERI & by imposing following conditions- 1. Recovery efficiency of existing two SRU trains shall be achieved. 2. Low NOX burners shall be installed to reduce NOX emissions from all furnaces. 3. PP shall take all the measures so as to comply with standards/norms for Oil Refinery Industry notified under the Environment (Protection) Rules, 1986 vide G.S.R. 186(E) dated 18th March, 2008. 4. Continuous on-line stack monitoring system shall be provided for SO2, Nox and CO at all the stacks. 5. PP shall take all the measures to restrict the Process emissions [SO2, NOx, HC (Methane & Non-Methane)] VOCs and Benzene from various units so as to conform to the standards prescribed under the Environment (Protection) Act. 6. PP shall prepare Leak Detection and Repair programme and implemented to control HC/VOC emissions.

					<p>7. PP shall provide Sensors for detecting HC leakage at strategic locations.</p> <p>8. Sulphur recovery units shall be installed for control of H2S emissions. The overall Sulphur recovery efficiency of Sulphur recovery unit with tail gas treating shall not be less than 99.9% & SO2 emissions after expansion from the plant shall not exceed 525 kg/hr.</p> <p>9. Flare gas recovery system shall be installed.</p> <p>10. Ambient air quality monitoring stations, [PM10, PM2.5, SO2, NOx, H2S, mercaptan, nonmethane-HC and Benzene] shall be set up in the complex.</p> <p>11. Industrial effluent generation shall not exceed 178 m3/hr after proposed expansion and treated in the integrated effluent treatment plant. Treated effluent shall be recycled/recued within the factory premises. Domestic sewage shall be treated in sewage treatment plant (STP).</p> <p>12. Automatic Mechanical Oil catchers/oil traps shall be provided at all possible location in rain/storm water drainage system inside the factory premises.</p> <p>13. The Consent shall be issued without prejudice to the order passed/being passed in the application No 40/2014 i.e Mr Charudatta Koli V/s M/s Sealord which is going on at NGT Pune.</p> <p>14. PP shall submit Bank Guarantee of Rs 10 Lakhs towards compliance of C to E & Environment Clearance conditions.</p>	
36	MPCB- CONSENT- 0000043738	Rashtriya Chemicals & Fertilizers Limited, Trombay Unit, Sr No. 127, Chembur1 (Maravali), 1,5,5,1to6, Anik, Mumbai sub Urban	APPROVED Consent to Establish	COU Or 5 years whichever is earlier	<p>The Committee noted that industry has applied for consent to establish with CI 39 Crs for additional Ammonia storage tank (standby)-10000 MT without change in existing production capacity, and having valid consent upto 31.07.2021.</p> <p>Also, noted that Presently there are two nos of Ammonia Storage tanks of capacity 5000 MT each with set up of composer, vapour system and D. G. set the flashing/washing water is collected in tank which is connected to ETP, the proposed expansion as per representative is standby tank & the proposed site is adjacent/nearby to the existing Ammonia tanks, in the proposed expansion the water intake will increase for cooling by 75 CMD</p>	

					<p>and Domestic by 0.1 CMD and I.E. effluent by 1 CMD and Domestic by 0.08CMD & will be treated in existing ETP.</p> <p>Therefore, it was decided to grant C2E for Additional Ammonia storage tank (standby)-10000 MT with amendment of Environmental Clearance if exist or fresh Environmental Clearance.</p>	
37	MPCB- CONSENT- 0000043057	Nagpur Solid Waste Processing and Management Private Ltd., Vill. Bhandewadi, Nagpur.	<p>APPROVED</p> <p>Consent to Establish for proposed waste to energy project for Electricity generation to the tune of 11.5 MW</p>	<p>COU Or 5 years whichever is earlier</p>	<p>The Committee noted that industry has applied for grant of Consent to Establish for proposed waste to energy project for Electricity generation to the tune of 11.5 MW by using raw material as MSW generated from Nagpur Municipal Corporation. Also, noted that for domestic effluent treatment existing STP of Municipal Corporation is situated adjacent to the MSW site at Bhandewadi Area.</p> <p>Therefore, It was decided to grant Consent to Establish by imposing following conditions:</p> <ol style="list-style-type: none"> 1. PP shall provide scientific storage of MSW so as to avoid/control foul smell at the site. 2. PP shall provide requisite Air Pollution Control arrangement to control air pollution during the process. 3. PP shall comply the MSW Rules 2016. 4. This consent is issued without prejudice to the order passed or being passed by the Hon'ble NGT/High Court. <p>Consent shall be issued after receipt of reply from PP regarding queries communicated by SRO, Nagpur.</p>	

38	MPCB- CONSENT- 0000046536	Mumbai Metro Rail Corporation Limited, Metro Line - 3, Car Shed Maintenance Depot and Workshop Activity (Na MTTTRI Building, Plot R 13, E Block, BKC, Bandra (E), Mumbai.	APPROVED Consent to Establish for Metro Line-3 car shed maintenance Depot and workshop activates	COU Or 5 years whichever is earlier	<p>The Committee noted that industry has applied for consent to Establish for Metro Line-3 car shed maintenance Depot and workshop activates and BUA is 25,550 Sq. mtrs. Also, noted that PP has submitted letter of Joint Director, MoEF dated 20.11.2015 for clarification that Metro Rail project are not covered under EIA notifications-2006 and mentioned that if any construction is proposed within CRZ area, clearance shall be obtained under the CRZ Notification, 2011. Any construction within CRZ-I shall be on silts. Maintenance and repair activities (industrial activities) are not permissible within CRZ and in case the project involves forest land, prior forest clearance under the Forest (Conservation) Act, 1980 would be required.</p> <p>Therefore, it was decided to grant Consent to Establish by imposing following conditions –</p> <ol style="list-style-type: none"> 1. PP shall submit Bank Guarantee Rs 10 lakhs for compliance of Consent to Establish conditions. <p>Consent shall be issued after – Verification of applicability of CRZ Clearance.</p>	
39	MPCB- CONSENT- 0000037502	“LEMON TREE PREMIER” HOTEL at Sahar Road, CSI Airport, Andheri Mumbai (Sahar Road, CSI Airport, Mumbai.	APPROVED Consent to Establish	COU Or 5 years whichever is earlier	<p>The Committee noted that industry has applied consent to establish for construction of 4-star hotel activity with swimming pool and laundry activity for Total plot area of 9463.45 Sq. Mtrs and Total construction BUA of 63,944.11 Sq. Mtrs. Project proponent has obtained Environmental Clearance from MMRDA dated 23.11.2017 vide No. ENV/EC/37/2017 dated 23.11.2017. Earlier, the application was discussed in CAC Meeting dated 9.2.2018 and Committee noted that PP has applied for consent to establish on 5.12.2017 which is after Hon’ble High Court order dated 26 and 29 February, 2016 in the case of Civil Application No. 221 Of 2013 in Public Interest Litigation No. 217 of 2009. Hence it was decided to issue SCN for refusal of consent to establish, as the Hon’ble High Court has restricted the process of granting permissions for construction of new residential and commercial buildings, including malls, hotels and restaurants. The restrictions had become applicable from 1st March 2016.</p>	

				<p>Accordingly, Committee noted reply received from PP vide letter dated 19.3.2018 to consider the said application in line with the order from Hon'ble Supreme court of India</p> <p>Committee also noted that, being aggrieved by the order dated 26th and 29th February, 2016 passed by the Hon'ble High Court of Judicature at Bombay.</p> <p>The Maharashtra Chamber of Housing Industries has filed SLP(Civil) bearing No. D 23708/2017 against MCGM & Ors before the Hon'ble Supreme Court of India. The directions issued by the The Hon'ble Supreme Court of India vide order dated 15.03.2018 were taken on record.</p> <p>Considering the above, it was decided to grant consent to establish for total plot area 9,463.45 Sq. Mtrs. and Total construction BUA- 63,944.11 Sq. mtrs. as per Environment Clearance dtd. 23.11.2017 from MMRDA by imposing following specific conditions;</p> <ol style="list-style-type: none"> 1. PP shall comply conditions stipulated in Environment Clearance granted by MMRDA dated 23.11.2017. 2. PP shall submit an affidavit in prescribed format regarding compliance of conditions of EC and Consent to Establish condition. 3. PP shall submit an affidavit regarding the area for which expansion of C to E application is made is included in Environment Clearance. 4. PP shall achieve the treated domestic effluent standard for the parameter BOD- 10 mg/lit. 5. The treated effluent shall be 60% recycled for secondary purposes such as toilet flushing, air conditioning, cooling tower make up, firefighting etc. and remaining shall be utilized on land for gardening. 6. PP shall install online monitoring system for BOD, TSS and flow at the outlet of STP. 7. PP shall submit BG of Rs. 25 Lakhs towards compliance of EC and Consent to Establish condition. 8. PP shall install organic waste digester along with composting facility/biodigester (biogas) with composting facility for the treatment of wet garbage. <p>PP shall comply with the following specific conditions;</p>	
--	--	--	--	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

					<ol style="list-style-type: none"> 1. The PP shall obtain NOC/permission from the MCGM for carrying out construction on their sites that the construction debris generated from the particular site, shall be transported and deposited in specific site inspected and approved by the Municipal Corporation. 2. PP shall not dispose off any construction debris to the Deonar and Mulund Dumping sites. 3. This consent is issued without prejudice to the order passed or being passed by the Hon'ble Supreme Court of India in special leave petition (Civil No. D23708/2017) <p>Consent shall be issued after submission of NOC/permission from the MCGM for carrying out construction on their sites that the construction debris generated from the particular site.</p>	
40	MPCB- CONSENT- 0000043447	Shell India Markets Private Limited, Plot No T- 05, MIDC Taloja, Tq- Panvel, Dist- Raigad	APPROVED Consent to Establish	COU Or 5 years whichever is earlier	<p>The Committee noted that industry has applied for C to E for Expansion for installation of 14 Nos of Storage tanks for onsite storage of Additive, Finished Products and base Oil. Also, noted that the existing I.E is Nil, and the proposed I.E is Nil, also not proposed any increase in the D.E quantity than the existing quantity.</p> <p>The storages are not isolated storages as it is part of manufacturing unit hence section 2(h) (i) of the Manufacturing, storage & Import Hazardous chemical Rules 1989 not be applicable.</p> <p>In view of above, it was decided to grant Consent to Establish for installation of 14 Nos of onsite storage tanks by imposing following conditions</p> <ol style="list-style-type: none"> 1. PP shall submit the BG of Rs 5.0 Lakhs towards compliance of C2E conditions
