The balance fees on the part of MPCB, if any, shall be considered at the time of next renewal of consent, which shall be mentioned in the consents to be issued hereafter.
2. In case of total construction is exceeding 20,000 sq. mt. built up area, and then no effective steps shall be taken till Environmental Clearance is obtained.

Specific Action Point

8. Possiability of including E-waste condition to in consent.
9. CC noted that some of the applications placed before CC for expansion are not placed as per the Board policy for deciding granting authority with combine C.I. of existing unit and expansion, even in some expansion cases granting authority is mention as HOD by SRO / RO in spite of CC case. So we may issue circular to get clarity in deciding consent granting authority.
