3. Technical Advisor, MPCB, Mumbai,

Chairperson of the committee welcomed the members of the committee and allowed proceeding of the meeting to start.

The meeting thereafter deliberated on the remaining agenda of previous meeting Book-let no 36 (Part-I & II) placed before the committee and following decisions were taken.

Sr. No.	Name of Industry	Decision on grant of consent	Consent granted up to	Remarks/Discussion (1)
(Book-let no. 36 (Part-I))				
Resubmission Cases				
1	AVH Pvt. Ltd. Plot no A-52, Halkarni MIDC Tal. Chandgad, Dist. Kolhapur.	Not approved Renewal of consent to operate	----	<p>Industry has submitted application for renewal of consent to operate which was not considered due to constitution of committee under the Chairmanship of Divisional Commissioner, Pune to verify the compliance of consent to establish conditions and to look into the grievances of the people residing in that locality. Now, Industry has submitted the representation stated that industry would like to permanently close down the said cold tar distillation plant and shifted to alternate location as decision taken in their Board meeting held on 11.02.2016.</p> <p>In view of above, It was decided to cancel/ revoke the consent to operate by imposing the following conditions-</p> <ol style="list-style-type: none"> 1. Industry shall submit the safe closure plan within a period of one month and affidavit to comply the same while permanently close down the plant.
2	Dhoptala Opencast Mine Project, Vill. Rajura-Ballarpur Road, Dist. Chandrapur	Approved Consent to Establish for conversion of Sasti underground mine to opencast mine	CoU or 5 years whichever is earlier	<p>It was decided to grant Consent to Establish for conversion of Sasti underground mine to opencast mine on area of 1300.91 Ha with following specific condition;</p> <ol style="list-style-type: none"> 1. Industry should not dispose the overburden in and around the river. 2. No industrial/ domestic treated/untreated effluent shall be directly/indirectly discharged into the river. 3. Standard conditions as BG regime for mining projects shall be imposed in consent.
3	Rajarambapu Patil SSK Ltd. (Distillery), Rajaramnagar, A/p -Sakhrale, Tal. Walwa, Dist. Sangli.	Not Approved Renewal of Consent to Operate	----	<p>It was decided to issue final Refusal of Renewal of Consent to Operate to 75 KLPD molasses base distillery due to following non-compliances -</p> <ol style="list-style-type: none"> 1. Industry failed to scrap the kaccha lagoons in-spite of direction issued by the Board from time to time. 2. Industry failed to submit time bound program with bar chart to

Sr. No.	Name of Industry	Decision on grant of consent	Consent granted up to	Remarks/Discussion (1)
				Sub-Regional/Regional Office to scrap the kaccha lagoons 3. Industry failed to provide compost yard for the disposal of spent wash as per CREP norms.
4	R.S.R. Mohota Spg. & Wvg. Mills, S. No. 72 to 75, Block No. II, Plot No. 2/3, 4, 5 & 6, Hinganghat, Dist. Wardha	Approved Renewal of consent to operate	31.01.2017	It was decided to grant renewal of consent to operate with increased CI by imposing following conditions. 1. Industry shall curtail 50% production of previous consented quantity- Cloth-101.5 MT/M, Yarn-235 MT/M & Soft & Hard Waste-8 MT/M and for corresponding quantity of water consumption, fuel consumption, raw material and effluent generation. 2. Industry shall comply the conditional direction issued by the Board vide letter No BO/CAC-Cell/RO(Nagpur)/TB-714 dated 20.02.2016. 3. Industry shall extend all the existing BG for the period upto 31.05.2015. Consent shall be issued after receipt of requisite consent fee.
5	SHARDA Shree Ispat Ltd. E-1 MIDC, Butibori, Dist. Nagpur	Not Approved Renewal of Consent to Operate & 1 st Consent to Operate for expansion	---	It was noted that the Board has issued SCN for Refusal of consent for carrying out expansion & operating expansion activities without valid consent from the Board. SRO vide mail dtd. 05.03.2016 has submitted additional information as below; 1. Industry is granted Consent for mfg of Mild steel/HT steel rolled products to the tune of 5000 MT/M, However during visit it is observed that this plant is not in operation since last one year. Also it is observed that though the consented capacity is 5000 MT/M, industry has installed plant having capacity 12,000 MT/M. In this regards, Show cause notice was issued to industry and the notice was also served to industry but till date industry has not submitted the reply. Industry representative claims that they have applied for production capacity of 12,000 MT/M previously but Board had not granted consent for only 5000 MT/M capacity.

Sr. No.	Name of Industry	Decision on grant of consent	Consent granted up to	Remarks/Discussion (1)
				<p>2. Industry has granted Consent for mfg of Mild steel/HT steel rolled products to the tune of 20,000 MT/M, during visit it is observed that this plant is in operation. Industry has provided necessary control systems, but industry has not submitted B.G. of Rs.5.0 Lacs as per consent condition issued by board on 09.10.2014</p> <p>Therefore, it was decided to Refuse the Renewal of consent to Operate & 1st Consent to Operate for expansion as industry has carried out expansion & operating expansion activities without valid consent from the Board, not submitted BG as per consent condition & also not replied to the SCN issued by the Board.</p>
6	Shree Samrat Pulp & Paper Pvt. Ltd., Plot No. D-2, MIDC Kurkumbh, Tal. Daund, Dist. Pune	Not Approved Renewal of Consent to Operate	----	<p>It is noted that Board has issued Show Cause Notice for Refusal of Renewal of Consent to Operate vide dtd. 19.09.2015 due to following non-compliances –</p> <ol style="list-style-type: none"> 1. Industry has not submitted BG of Rs. 2/- Lakhs as per previous Consent condition. 2. Industry has discharged untreated effluent in factory premises near ETP thereby violated the Consent conditions. 3. Industry has not submitted CA certificate as per the Board's prescribed format. 4. JVS reports are not meeting the Consented standards. 5. Industry has not installed online monitoring system. <p>It was noted that industry has failed to submit reply to the SCN issued on 19.09.2015. Hence, it was decided to issue final Refusal of Renewal of Consent to Operate.</p>
7	Bedmutha Industries Ltd., (Plant-6) Plot No. E-1, Nardana MIDC, Pase-II, Vill: Waghadi Khurd, Tal-Shindkheda, Dist: Dhule.	Approved 1st Consent to Operate for expansion and Renewal of existing Consent to	28.02.2017	As per the decision in CAC meeting dated 23.11.2015. Review Item				
41	Godrej Industries Ltd., Vikhroli, Mumbai.	Approved Review of final Refusal of Consent to Operate	30.04.2017	Committee has reviewed the decision of final Refusal of Renewal of Consent to Operate and decided to grant renewal of consent to operate only for Office activity including canteen facility and dismantling the existing plant and machinery to manufacture fatty acid, Glycerin, Alpha-olefine sulphonet etc. by imposing following conditions 1. Industry shall submit closure plan within period of three months as assured by the industry and submit BG of Rs 5 lakhs towards compliance of the same. 2. Industry shall comply the recommendations/suggestions/conditions as per the closure plan and submit the BG of Rs. 5 lakh towards compliance of the same. Consent shall be issued after obtaining one term consent fee against refusal of renewal of consent to operate.
42	Gujarat Ambuja Exports Ltd., Plot No. A-4, MIDC Chalisgaon, Dist: Jalgaon	Approved Amendment in Consent to Establish	Commissioning of the unit or upto 29.06.2020	It was decided to consider the request of the industry to amend Consent to Establish for addition of product- Ethanol -43,200 MT/A and Liquid Starch- 90,000 MT/A instead of Liquid Glucose by imposing following conditions – 1. Industry shall not take effective steps prior obtaining Environmental Clearance for manufacturing Ethanol and

Sr. No.	Name of Industry	Decision on grant of consent	Consent granted up to	Remarks/Discussion (1)
				existing BG of Rs. 10 lakh obtained toward compliance of consent to establish conditions is also applicable to ensure the compliance of EIA Notification 2006.
43	Jarandeshwar Sugar Mills Pvt. Ltd., Chimangaon, Tal: Koregaon, Dist: Satara	Not Approved Renewal of consent to operate	---	It is noted that the industry has filed an appeal before Appellate Authority on refusal of renewal of consent to operate. Hence, industries request to grant of renewal of consent to operate cannot be considered till the disposal of the appeal at Appellate Authority. It was decided to return the application to the industry.
44	Angadpal industries Pvt. Ltd H-4/3, MIDC Tarapur Dist Palghar	Approved Extension for use of Pet coke as fuel instead of coal	30.04.2017	<p>The CAC noted the outcome of the study and observations and recommendations of the working group about successful trial run of 6 TPH Pet Coke fired boiler for the period of 6 months from June to Nov-2015. Based on outcome of the trial ruin, it is decided to grant further extension to use pet coke as fuel in place of coal up to April, 2017 subject to condition of uploading the online monitoring data on Board website.</p> <p>It was also decided to permit use of coke as fuel to another 4-5 interested units on similar lines and conditions. The selection of the unit will be done by the committee at head office level comprising of AS(T), JD(APC), JD(WPC), RO(HQ) and NEERI.</p>
45	Ultra Tech Cement Ltd Awarapur Cement works Tal. Korpana, Dist. Chandrapur	Review the decision of encashment of BG	----	<p>It was noted that total 6 nos. of sample of TPM from CPP were obtained, out of which 2 samples were exceeding the consented norms.</p> <p>It was decided not to consider the request of industry regarding review of forfeiture of BG of Rs. 15/- Lakhs.</p> <p>However as only two samples out of six samples are exceeding the limit it was decided to forfeit BG of Rs. 5/- Lakhs instead of BG of Rs. 15/- lakhs.</p>
46	L'oreal India Pvt.. Ltd., Gat,No 426, Mahalunge Ingle, Chakan-Talegoan	Not approved Amendment for	----	It was decided that AS(T) and RO(HQ) shall visit the industry and submit the report in respect of treatment and disposal of ETP sludge by vermin-composting method to CAC within 15

Sr. No.	Name of Industry	Decision on grant of consent	Consent granted up to	Remarks/Discussion (1)
	Road, Chakan, Pune.	treatment and disposal of ETP sludge		days and revert back to CAC.
47	DSM India Pvt. Ltd., F-40, MIDC Ranjangoan, Tq. Shirur, PunePune.	Approved Amendment in Consent to operate	30.01.2020	It was decided to grant amendment for increase in products (by mixing and extruding process without chemical reaction) 1) Polymer and compounds of Nylon or Polyamide 6, Polyamide 66 and Polyamide 46 from 1100 MT/M to 1900 MT/M 2) Polymer and compounds of Polybutylene terephthalate (PBT), Polyethylene terephthalate (PET) and co-polyesters of both from 847 MT/M to 1400 MT/M. by imposing following conditions 1. Industry shall carryout the hazardous waste audit from renowned institute such as NEERI, IIT etc within 03 months and submit the BG of Rs. 2 lakh towards compliance of the same. 2. Industry shall discharge 165 CMD to CETP during no demand period for gardening purpose.
Table Item				
1	Mazda Colours Ltd., Plot No. 121/1, MIDC Dhatav, Roha, Raigad.	Approved 1 st consent to Operate (Part) Phase-I	31.12.2016	As decided in previous CAC meeting dated 09.03.2016. Industry representative was called before CAC. According Shri. Amit Choksey, Chairman & MD has attended the meeting and briefed the committee about their project. The industry representative brought to the notice to the committee that they have obtained consent to establish on 27.04.2012 i.e. earlier to the order passed by Hon'ble NGT and Hon'ble High Court and also obtained environmental clearance dated 27.12.2011. Industry have also complied the conditions of consent to establish as well as environmental clearance. In-spite of complying all the conditions, due to non complying of Roha CETP, they could not get the permission from MPCB and unable to start the manufacturing activity even though the plant and machineries including pollution control system is in place. They have also informed the committee that Roha CETP is up-grading and expanding its capacity and this new CETP is likely to commission in May 2016. Industry want to start commercial production before 31 st March 2016 to avail various tax benefits

Sr. No.	Name of Industry	Decision on grant of consent	Consent granted up to	Remarks/Discussion (1)
				<p>under Income tax and requested to grant 1st consent to operate. They are ready to achieve 80 mg/lit BOD standard against permitted standard of 100 mg/lit and permit them to discharge their treated effluent at the outlet of CETP.</p> <p>The performance of CETP is non complying, presently BOD is about 300 mg/lit and COD is 450 mg/lit. Whereas, industry has provided full-flagged effluent treatment plant with modern technology such as MBBR followed by RO & MEE and assured to achieve 80 mg/lit BOD standard. Hence, committee comes to the conclusion to allow the industry to discharge the effluent at outlet of CETP.</p> <p>Industry has obtained consent to establish for industrial effluent generation quantity 1347 CMD for operating the plant 100% production capacity. Now industry has proposed to carry out the production quantity to generate about 800 CMD trade effluent.</p> <p>Considering above all facts, committee has decided to grant 1st consent to operate (part-I) Phase-I for short period by imposing following conditions.</p> <ol style="list-style-type: none"> 1. Industry shall carryout the production quantity corresponding to generation of trade effluent 800 CMD against consented effluent quantity 1347 CMD for operating the plant with 100% production capacity. 2. Out of 800 CMD treated effluent, Industry shall recycle 400 CMD effluent in process and remaining 400 CMD shall be discharged at CETP outlet after achieving BOD standard 80 mg/lit. 3. Industry shall install online monitoring system for their treated trade effluent for pH, BOD, and COD with data logger system. 4. The treated trade effluent shall be discharge by tanker or through flexible pipeline at CETP outlet and CETP shall daily monitor the tanker effluent by analyzing for COD and pH parameter. 5. This is temporary arrangement permitted only for two months

Sr. No.	Name of Industry	Decision on grant of consent	Consent granted up to	Remarks/Discussion (1)
				<p>i.e. upto 31st May 2016.</p> <ol style="list-style-type: none"> 6. After satisfactory commissioning of new CETP (expanded capacity) the industry will be allowed to discharge the treated effluent of 400 CMD to new CETP after achieving 80 mg/lit BOD standard. 7. Industry shall up-grade their system to achieve 30 mg/lit BOD standard by end of November 2016 and submit the BG of Rs. 10 lakhs towards compliance of the same. 8. Industry shall submit the BG of Rs. 10 lakh towards compliance of consent conditions. 9. Industry shall install separate energy meter for ETP and another for MEE system. 10. Industry shall maintain the daily record of effluent generated and discharge to outlet of CETP and shall be submitted weekly report to SRO office. 11. SRO shall closely monitor the performance of pollution control system along with JVS sampling and disposal of treated trade effluent by tanker on weekly basis for two months and if any non-compliance of the industry observed shall be reported to CAC-Cell immediately. <p>Consent shall be issued after obtaining opinion from MIDC Authority regarding feasibility of disposal arrangement by flexible pipe line/Tanker which should be the safe temporary arrangement for two months till commissioning of new CETP.</p>
2	Hemmo Pharmaceuticals Pvt. Ltd., Plot No- A-159, Road No. 25, Wagle Industrial Estate, Thane-400 604	Approved Renewal of Consent to Operate	28.02.2020	<p>It is decided to consider the case for grant of plain Renewal of Consent to Operate by imposing the condition for submission of obtaining Board resolution towards violation of Consent condition as the industry has taken production of un-consented products and by imposing following conditions in the consent and issuing separate interim directions to the industry-</p> <ol style="list-style-type: none"> 1. Industry shall operate & maintain existing Effluent Treatment Plant & Air Pollution Control Systems efficiently so as to achieve the Consented standards. 2. Industry shall not carry out mfg. of un-consented products

Sr. No.	Name of Industry	Decision on grant of consent	Consent granted up to	Remarks/Discussion (1)
				<p>without obtaining Consent from the Board.</p> <p>3. Industry shall submit proposal for up-gradation of existing Effluent Treatment Plant within 15 days and upgrade the same within 3 months period so as to achieve the Consented standards.</p> <p>4. Industry shall furnish an irrevocable bank guarantee of Rs. 5.0 Lakh with the validity upto 30.06.2020 towards compliance of the above conditions to Regional Office, Thane within 15 days.</p>
3	Hemmo Pharmaceuticals Pvt. Ltd., Plot No- C-43, MIDC TTC Turbhe, Navi Mumbai, Thane- 400 613.	Approved Renewal of Consent to Operate	31.03.2020	<p>It is decided to consider the case for grant of Renewal of Consent to Operate only for manufacturing of Oxytocin (Bulk Drug 3000 MIU) by imposing following conditions and issuing separate interim directions to the industry-</p> <p>1. Industry shall not carry out mfg. of un-consented products without obtaining Consent from the Board.</p> <p>2. Industry shall submit proposal for up-gradation of existing Effluent Treatment Plant within 15 days and upgrade the same within 3 months so as to achieve the Consented standards.</p> <p>3. Industry shall furnish an irrevocable bank guarantee of Rs. 5.0 Lakh with the validity upto 31.07.2020 towards compliance of above conditions to Regional Office, Navi Mumbai within 15 days.</p>

The cases in Booklet no 36 (part-I) serial no. 23) M/s. Vaidyanath SSK Ltd., Pangri, Tq. Parali, dist. Beed and Booklet no 36 (part-II) 26) Pad. Dr. V.V. Patil SSK Ltd., (Dist), Paraveranagar, Tq. Rahata, Ahmednagar, and 46) Karmaveer Shankarrao Kale SSK Ltd., (Sugar Unit), Tq. Kopergoan, Dist. Ahmednagar was discussed in the CAC meeting held on 09.03.2016.

The meeting is ended with vote of thanks.
