Subj: Clarification on applicability of EIA Notification, 2006 on forging/rolling units - 198.

Sir,

This has reference to your office correspondence letter no. HSPCB/TAC9HQ)-48/2008/2344 dated 10th October 2008 seeking clarification under EIA Notification, 2006.

2.0 The Ministry has examined the above mentioned request. The process of forging/rolling is covered under secondary metallurgy and the secondary metallurgical activities are covered under para 3(a)(c) of EIA Notification, 2006 with threshold limit of 5000 TPA. This activity is covered under 'B' Category and shall be appraised at SEIAA level (except the proposals covered under general condition mentioned in schedule of EIA Notification, 2006 which shall be appraised at central level).

3.0 You are requested to direct the concerned project authorities to approach State Environmental Impact Assessment Authority Haryana for obtaining the clearance under said notification.

4.0 This has the approval of the Competent Authority.
