The following panel members of the public hearing committee were present,

1. Shri. Chandrakant Thorat - Chairman
Resident Deputy Collector &
Addl. Dist. Magistrate,
Mumbai City.
2. Shri. Madukar Lad - Member
Regional Officer
Maharashtra Pollution Control Board, Mumbai.
3. Shri. Sanjay Bhosale - Convener
Sub-Regional Officer
Maharashtra Pollution Control Board, Mumbai - I.

Shri. Sanjay Bhosale, Sub Regional Officer, MPC Board, Mumbai-I, Convener of the public hearing committee welcomed the Chairman of the committee, the panel members, residents and commenced the Public Hearing with the permission of Hon. Chairman. He briefed the purpose of public hearing mentioning that as per the MOEF, Govt. of India, New Delhi, Notification S.O/1533 dated 14 Sept. 2006 and amended thereto, and section 8 (V) (c) (d)- 4 of Coastal Regulation Zone (CRZ) Notification dated 6th January, 2011, the Public hearing for residents shall be carried out for redevelopment and construction of storage facility in the CRZ area. Accordingly, **Maharashtra Fisheries Development Ltd**, had submitted application for public hearing along with detailed Environmental impact and mitigation report for the proposed redevelopment of **Sassoon Dock Fisheries Harbour** on property bearing **at S. No. 5/600, Mumbai** to Maharashtra Pollution Control Board on 28/06/2017. Accordingly, the District Collector, Mumbai had fixed the date of public hearing on 21 August, 2017. The Convener briefed that, public notice regarding the said public hearing was published in the daily newspaper “**Navshakti**” in Marathi and “**The Free Press Journal**” in English on 15 July, 2017, i.e. one month prior to the public hearing, inviting instructions, objection and comments about the proposed redevelopment **Sassoon Dock Fisheries Harbour**. Documents of Environmental Synopsis regarding public hearing were made available for review/study for the residents of the said project at –

1. Office of the Collector & District Magistrate Mumbai City, Old Custom house, Shahid Bhagat Singh Marg, Mumbai – 400 001.

2. Joint Director (Water), MPCB, Sion, Mumbai, Regional Office & Sub Regional Office, Mumbai - I, Maharashtra Pollution Control Board, Raikar Chamber, 216, 2nd Floor, A Wing, Near Jain Mandir, Govandi Gaon Road, Govandi(E), Mumbai-88.
3. Environment Dept., New administrative building, 15th floor, Mantralaya, Mumbai.
4. Astd. Commissioner, A ward office bldg., 134 E, Shahid Bhagat Singh Marg, Mumbai – 400 001

The convener, informed the residents that the purpose of the public hearing was to record the opinion, suggestions /objections of the residents, with regards to environment point of view. The committee will not take any decision about the project. He also informed that the said public hearing is for the residents affected by the project. The project proponent will present the details about the project and its impact on environment and the mitigation measures proposed by the project proponent. Thereafter the residents can give their, suggestions/objections, comments, and opinions verbally as well as in writing about the project, which will be recorded and the same will be submitted to the Maharashtra Coastal Zone Management Authority, Mantralaya, Mumbai.

After this, with the permission of Hon. Collector/Chairman the public hearing procedure was started.

Sharadha Umbale, the technical consultant of the said project, briefed about the proposed project by power point presentation. He showed the details about the location of the project, the location map and Google image of the site. He also showed the details about the layout plant of the Sassoon Dock Fisheries Harbour” at S. No. 5/600, Mumbai. He mentioned that the total area of the plots is 91265.35 sq.mtrs. which is in CRZ-II area. Which will be redeveloped by means of moderation of shed 1 & 2, sewerage system, Internal roads and provision of ETP, STP etc. The total cost of the proposed project is about Rs. 52.17 Crores. The water requirement is 500 m³/day and treat the same there is provision of ETP and STP. The treated sewage will be discharged in to MCGM sewerage system. In this project the movement of truck and other moving activity will be monitor by electronics gargets like CCTV. Also at the time of construction activity, necessary precautions will be taken to control the noise pollution. The project proponent has obtained necessary permissions from MPT (Mumbai Port Trust) for construction activity.

The Convener then appealed the residents to express their views, doubts, and objections, opinions, suggestions about the project only from the environmental aspects, if any, so that the project proponent will clarify the same.

The following persons raised the questions.

Question- Madukar Lad, Regional Officer, MPC Board, Mumbai.
