34	MPCB- MSW_AUT H- 0000000739	Malegaon Municipal Corporation Malegaon Municipal Corporation, near Malegaon fort,	Not approved MSW Authorization	--	ROHQ	Committee noted that Malegaon Municipal Corporation has applied for authorization- proposed to setup Magnetic partial pyrolysis facility for treatment of Mix waste (100 MT/Day). Total Solid waste generation as per the annual report 2020 is 240 MTD and treatment is 125 MTD by composting and vermicomposting. Malegaon corporation has not obtained authorization from Board. MMC authorities were present for the meeting.

		Malegaon, Dist. Nasik				<p>SRO Nashik has submitted that as per the submission of MMC this is the new technology for treatment of mix solid waste. Magnetic partial pyrolysis is a thermal waste decomposition process. Waste destruction does not require any type of fuel, it uses minimal electricity and less emissions. This process generates reactive oxygen under plasma condition and in turn reacts with organics to generate fuel gases and the same will be used as fuel for further combustion processes. the maximum operating temperature inside the system would be approximately up to 200 °C- 700 °C. The process involves a magnetic flux created with the controlled oxygen presence inside the magnetization induced plasma chamber, which ensures the complete combustion and decomposition of waste into ceramic ash.</p> <p>Magnetic Pyrolysis Thermal Decomposition Chamber is provided with 2 scrubber tank and chimney of height 10 meters. Ceramic ash will be generated from process and same will be used in construction of roads. Sludge will be generated from the scrubbing process and same will be used back in the machine as it acts as fuel. There is only treatment facility, no landfill activity.</p> <p>The application was discussed in the MSW authorization committee meeting. Committee recommended to issue SCN because MMC has not obtained district level site selection committee approval for the site, and it is not confirmed that whether DPR is sanctioned or not.</p> <p>After due deliberation, it was decided to issue Show Cause Notice for refusal of MSW Authorization application.</p>
