Note of the Registry	Orders of the Tribunal
Dated 24th July 2012	<p>The grievance of the Applicant, in this case is that Respondent No. 4 has commenced the construction of the project though the period of EC has lapsed since long. Admittedly, EC for the Mumbai Tans Harbour Link Project was granted on 11th March, 2005. Seven years have lapsed in the meanwhile. Further admittedly, the work has not commenced till date.</p> <p>In course of hearing, Learned Counsel for the Project Proponent has submitted that the said respondent has initiated steps for obtaining fresh EC.</p> <p>In view of the said submissions the present application is disposed of with a direction that the Project Proponent shall not make any construction without obtaining EC from the Competent Authority. The application for granting de novo EC be disposed of in consonance of law expeditiously, if the same is pending.</p> <p>This application is disposed of accordingly.</p> <p>(Dr. R.
