Office Order no. 89 dated 04/10/2016

Sub: Constitution of Committee for implementation of procedure for issuance of grant/renewal of Authorization of Industrial Units possessing environmentally Sound Management facilities for reprocessing / recycling & Actual Users/co-processing/Utilizations of the Hazardous Waste and Recycling of electronic – Waste (e-waste)

- Ref : 1. E-Waste (Management) Rules, 2016 dated 23rd March 2016
2. Hazardous & Other Wastes (Management & Transboundary Movement) Rules, 2016 dated 4th April 2016
3. Office Order No.16 dated 06.07.2016

Vide above Office Order dated 06.07.2012, the committee was constituted for implementation of procedure for issuance of grant/renewal of registration scheme of Industrial Units possessing environmentally Sound Management facilities for reprocessing / recycling of the Hazardous Waste and Recycling of electronic – Waste (e-waste) . The said committee was constituted to examine the applications received for grant/refusal of registrations of the industrial processors involved in reprocessing and recycling of hazardous waste and E-waste.

Now the Ministry of Environment, Forest & Climate Change (MoEF & CC) has notified new Hazardous & Other Wastes (Management & Transboundary Movement) Rules, 2016 and E-Waste (Management) Rule, 2016 vide Notification dated 4/4/2016 & 23/3/2016 respectively. As per these Rules, registration is not required to Hazardous Waste and E-Waste Recyclers or re-processors whereas authorization from the State Pollution Control Board is mandatory to every Occupier of the facility who is handling, generating, collection, storage, packaging, transportation, actual users, treatment, processing, recycling, recovery, pre-processing, co-processing, utilization, offering for sale, transfer or disposal of hazardous waste or other waste falls under Hazardous & Other Wastes (Management & Transboundary Movement) Rules, 2016. As per E-Waste (Management) Rules, 2016, every manufacturer, dismantler/ recycler/ refurbisher shall require to obtain authorization from the State Pollution Control Board (SPCB).

The Procedure for grant of authorization as per the Hazardous Waste (Management, Handling & Transboundary) Rules, 2016 and E-Waste (Management) Rule, 2016 is defined in the said rules.

As per the Rule 9 of the Hazardous & Other Wastes (Management & Transboundary Movement) Rules, 2016, the procedure for obtaining authorization for utilization of hazardous waste and other waste as resource or after pre-processing either for co-processing or for any other use including within premises of the generator is prescribed. As per this rule wherever standard operating

procedure for utilization of hazardous waste is provided by CPCB in that case the SPCB shall grant the authorization to such type of industries by assessing infrastructure facility available in the unit.

In view of above newly notified Waste Rules, 2016, the Committee consisting of following members is constituted to examine the proposals/applications received for grant of authorization under both Hazardous & Other Wastes (Management & Transboundary Movement) Rules, 2016 and E-Waste (Management) Rule, 2016 in the Maharashtra Pollution Control Board.
