

MINUTES OF THE ENVIRONMENT PUBLIC HEARING FOR PROPOSED PROJECT OF BHIVKUND UNDERGROUND COAL MINE (MINING LEASE AREA OF 802 HA. PRODUCTION CAPACITY 0.72 MTPA TO 1.08 MTPA) LOCATED AT VILLAGE VISAPUR, NANDGAON PODE AND URBAN AREA OF BALLARPUR, TAL. BALLARPUR, DIST. CHANDRAPUR, MAHARASHTRA PROPOSED BY PROJECT PROPONENT M/S. SUNFLAG IRON & STEEL COMPANY LTD., 33 MOUNT ROAD, SADAR, NAGPUR, MAHARASHTRA.

Date : 24/04/2024
Time : 11:00 A.M.
Place : At Project Site, Kh. No. 318/1, 318/2, 323, 326/1, 327/1 Vill. Visapur, Tal. Ballarpur, Dist. Chandrapur.

Preamble:-

Project Proponent M/s. Sunflag Iron & Steel Company Ltd., 33 Mount Road, Sadar, Nagpur, Maharashtra has applied to Environment, Forest & Climate Change Department (MOEF&CC) Govt. of India, (GOI), New Delhi for permission of carrying out the study in the radius of 10 k.m. of project and preparation of Environment Impact Assessment (EIA) Report for obtaining Environmental Clearance for the Proposed Project of Bhivkund Underground Coal Mine (Mining Lease Area of 802 Ha. Production Capacity 0.72 MTPA To 1.08 MTPA) Located At Village Visapur, Nandgaon PODE And Urban Area of Ballarpur, Tal. Ballarpur, Dist. Chandrapur, Maharashtra.

The MOEF&CC, GOI, New Delhi approved Terms of Reference (TOR) was sanctioned on 15/03/2023. As per Environmental Impact Assessment Notification, 2006, the environment study should be carried in the radius of 10 km from the project site before environmental public hearing and to include in the final environmental impact assessment report. As the proposed project falls under Category A-1, it is mandatory to the Project Proponent to obtain prior Environment Clearance (EC) from MOEF&CC, GOI, New Delhi.

Project Proponent M/s. Sunflag Iron & Steel Company Ltd., 33 Mount Road, Sadar, Nagpur, Maharashtra has applied to Maharashtra Pollution Control Board on 04/10/2023 for conducting Environmental Public Hearing. District Collector, Chandrapur, Maharashtra State, in co-ordination with MPCB Chandrapur Office, approved to hold a public hearing on 20/03/2024. However, due to Lok Sabha General Elections-2024, this scheduled hearing was postponed & informed to the concern by publishing a public notice on 20/03/2024 in leading newspapers. In this connection, MPC Board decided to hold public hearing in respect of the said project on 24/04/2024 in consultation with District Collector, Chandrapur. Maharashtra Pollution Control Board has published public notices in Marathi newspaper namey "Lokmat" & and English newspaper "The Times of India" on dated 20/03/2024. The appeal was made to the concerned to submit objections, suggestions, complaints, comments, if any, in respect of the said project to

concerned regulatory authorities. It is directed to conduct the online public hearing. The meeting number and password was made available.

Copy of draft E.I.A. report along with executive summary in respect of the said project were made available in English/ Marathi in the following offices to apprise the public.

This office is in receipt 1561 (1012 in favour of project & 549 against the project) notices, complaints, statements, objections regarding the above project and the persons / concerned institutions have been informed to attend the public hearing and submit their views, opinion, suggestions or objections if any complaints, statements, objections.

The attendance sheets of the participants during the public hearing as well as the Order of the Environment Public Hearing Committee constituted by the Maharashtra Pollution Control Board are attached herewith as **Annexure-I, II & III (A & B)**.

MINUTES OF PUBLIC HEARING:-

At the beginning of the meeting, Shri Umashankar Bhadule, Sub Regional Officer, Maharashtra Pollution Control Board, Chandrapur and Convener, Environment Public Hearing Committee welcomed Shri Sanjay Pawar, Additional District Magistrate, Chandrapur and Chairman, Environment Public Hearing Committee; Shri Tanaji Yadav, Regional Officer, Maharashtra Pollution Control Board, Chandrapur and Member, Environment Public Hearing Committee, Project officials, Journalists, NGOs working in the field of environment and local people who were present in large number and informed all the procedure of the public hearing. He appealed all the participants to raise views, doubts, ideas, suggestions or objections regarding the proposed project in environmental angle only. He said that the public hearing is organized only for the local people and project affected persons, so that the environmental issues and doubts would be resolved.

Convener of the meeting further informed that this meeting is arranged to know the feelings, suggestions or objections of the local people for the proposed project in environmental angle only and this Committee has no right to sanction, reject or recommend the proposed project. The suggestions or objections received during the meeting will be noted and it will be included in the minutes of the meeting in Marathi and in English and it will be submitted alongwith Final EIA report, the written suggestions/objections with

the approval of Chairman of the Environment Public Hearing Committee through MPCB Head Office to Environment, Forest & Climate Change Ministry, Govt. of India, New Delhi. An Expert Committee will take further decision accordingly.

Convener of the meeting further informed that as per the provisions of the Notification, the meeting is being photographed and video is being shot and after the presentation, the participants can raise their questions, suggestions, thoughts and objections. The Project Environmental Consultant or Project Proponent will answer the same. While asking questions, first inform your full name and residence village.

With the permission of Chairman of the Environment Public Hearing Committee, Convener asked Environment Consultant to give presentation of Environment Management Plan of the proposed project.

- Project Area, Latitude-Longitude, Map, Submerged Area, Beneficiary Area, Forest Area, Project; Features, Project Significance, Consequences, Land Use, Earthquake Stability;
- Project objectives, social status, employment opportunities, development of farmers due to the project;
- Project analysis, summary, findings;
- Analysis of social and economic status
- Information about air, water, land, sound, project affected areas etc.
- Impact and management of air, water, displacement, biodiversity due to planned project
- Information on environmental management after project implementation
- Information on other environmental management

Thereafter, convener of Public Hearing announced that the forum is open for question answer. The summary of issues raised and reply submitted by project proponent is as below.

FOLLOWING HAVE PARTICIPATED DURING THE DISCUSSIONS, QUESTIONS AND COMMENTS / MADE BY PROJECT PROPONENT/ MPCB GIVEN BY PROJECT PROPONENT/PROJECT CONSULTANT/PUBLIC HEARING COMMITTEE

1) Shri. Rajesh Bele, President, Sanjivani Paryavaran Samajik Sanstha, Tal. Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	The EIA report submitted by M/s. Sunflag Iron & Steel Company is false. This is a copy	Project Proponent informed that, people are suffering from various diseases due to pollution of

<p>If Hon'ble Supreme Court is publishing their judgement in regional languages then why this report is not published in Marathi language? Because local people are not familiar with English language. People residing near Sunflag's Belgaon Underground Mine are suffering from health issues due to water pollution. Chandrapur district is known as most polluting district. Why pollution control measures are not taken? Air & water pollution will increase due to the proposed underground mine. Also groundwater levels will be depleted. The acidified mine water will be discharge which will be consisting of heavy metals such as iron, zinc, etc. which will affect the nearby agricultural fields & will cause sterility. I have proofs of the same. The reports of hazardous waste given by the Maharashtra Pollution Control are with me. The pollution control Board has forfeited the Bank Guarantee of Rs. 10.0 Lakhs of the said company. Various polluting industries are coming into the district which are affecting the environment, health & agricultural fields and people are not served justice. No action is being taken against the industries even after giving repeated complaints to Hon'ble District Collector & Pollution Department. The Project Proponent M/s. Sunflag Iron & Steel Company are misleading</p>	<p>Maharashtra State Mining Corporation Ltd., which is located in Dongargaon village near Belgaon village and not due to pollution of Belgaon UG mine of M/s. Sunflag Iron & Steel Company. Ministry of Environment, Forests & Climate Change, GOI has allotted the mine to us for 64 years for underground mining activity only and has also granted Terms of Reference. Mine water will be generated from underground mining activity & treated mine water will be again discharged into the mine pit. The mine water will not be reused until & unless we achieve the effluent standards prescribed by GOI & MPCB. Effluent Treatment Plant (ETP) will also be installed for treatment of mine water and treated mine water will be utilized for dust suppression in mine lease area. Also Sewage Treatment Plant will be installed to treat the domestic effluent generated during mining activities.</p>

2) Shri. Suresh Pandilwar, Visapur, Tal. Ballarpur, Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	<p>Underground mine of M/s. Sunflag Iron & Steel Co. Ltd., is proposed in this area. The Project Proponent will only acquire 10 Ha. Land & will not acquire any land further. But mining activity will affect the area beyond 10 Ha area. Due to this, I and my villagers are opposing the said project. Ground water levels will get depleted due to underground coal mine & water will not be available for farming. River, lakes & wells in the area will be dried up which will rise water scarcity problem in the area. Transportation of excavated coal will be done which will affect the roadside crops. The villagers will also get affected. Radioactive materials such as mercury, arsenic, barium, cadmium, nickel & lead will also get excavated along with coal. The minerals will get mixed with water which are harmful for human health. Blasting activity will affect the nearby household causing damages. Bio-diversity in the area will also get affected. As per company's report, there are no any wild animals in the area. But there is existence of various wild animals. Wild animals will also get affected due to the said</p>	<p>Project Proponent informed that, a minimum of 80% employment will be given to local people. Necessary steps will be taken for inclusion of women while providing employment. Skill development program will be undertaken to provide skill to the unskilled.</p>

<p>project. Govt. is encouraging conventional energy resources instead of non-conventional energy resources. Villagers are of the opinion that the govt. shall encourage the use of non-conventional energy resources. Project Proponent is implementing the project without taking villagers into confidence. Resolution was passed in the Gram Panchayat to not to allow private companies to implement any projects. I am opposing the said underground project due to the above-said reasons.</p>

3) Shri. Mulchandani, Visapur, Tal. Ballarpur, Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	<p>Pollution levels will increase in the area due to the said underground mine project. Therefore, permission shall not be given to the mine until & unless every single farmer is gratified in the area of 802 Ha. Objections are also raised by Shrimati Pratibha Dhanorkar, Loksabha candidate & Hon'ble MLA Shri. Adbale. I request the Regional Officer of Maharashtra Pollution Control Board to look into the matter of not only Sunflag but also pollution of Ballarpur City seriously and to take control measures regarding decreasing pollution levels. I also request the company to scrupulously follow the rules & regulations laid down by the govt. Coal will be excavated in 802 Ha area which will affect the ground water levels. Agricultural fields will also have adverse effects.</p>	<p>Convenor of the Public Hearing informed that, the point is noted.</p>

4) Shri. Devanand Shankar Shende, Nandgaon- Poda, Tal. Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	It is being told that Project Proponent will acquire the whole land. But Zilla Parishad School is also going to be affected as per survey report of Gram Panchayat Members. Also 25% of locality of Nandgaon Village is going to be affected. Company is providing false information. As per company's report, there are no any wild animals in the area. But there is existence of various wild animals such as bear, tiger, deer etc. Wild animals are going to be affected due to the said project. Flood situation will arise due to the said mine. Company has not given any information regarding the same. As told by the company mine water will be reused for dust suppression but company has not given any information regarding measures to be taken for depletion of ground water in well, tube wells, etc. Due to the above-said reasons I, on behalf of Nandgaon-Poda Village oppose the said project.	Project Proponent informed that, the said project is underground mining project and no mining activity will be done in Nandgaon-Poda Village.

5) Shri. Subhash Jagdish Mankar, Visapur, Tal. Ballarpur, Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	I request the govt. to acquire our whole land & shall rehabilitate us. We are landless. We do not possess any agricultural land. We earn our livelihood by working in other's farms.	Convenor of the Public Hearing informed that, the point is noted.

After that, Villagers prohibited the Project Proponent from speaking.

6) Shri. Samir Adbale, President, Gramseva Samiti, Nandgaon-Pode, Tal. & Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	Company is saying that they will not cause air & water pollution. This is totally false. 802 Ha. Land is allotted to the said company. They are saying that they will acquire only 25 acres of land. They were saying 9.90 in front of Hon'ble District Collector. The minutes of meeting held before the Hon'ble District Collectors between farmer & company owner were published in English language. We will not give only 25 acres of land. We will not sell our land to M/s. Sunflag Iron & Steel Company. I request Regional Officer, MPCB to control the increasing pollution of Chandrapur. We are of the opinion that employment opportunities will be created when any project arrives. This Public Hearing is being conducted during Code of Conduct of Loksabha General Elections. The said Public Hearing should have been conducted after Loksabha General Elections. The fertile land will get infertile due to the said project. The company has tempted many villagers. We will sell our land to only to govt. projects.	Convenor of the Public Hearing informed that, the point is noted.

7) Shri. Sandip Girhe, District President, Shivsena (UBT), Tal. Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	I have a question to the company that are they going to acquire only 25 acres of land? Will you not excavate in the remaining area? Will the land be of any use after mining? How many employment will you provide? I request the administration to kindly	Convenor of the Public Hearing informed that, the point is noted.

	<p>hear the opinion of local people. The issue of pollution of Ballarpur Paper Mill is still not solved. The sharp pungent is still felt in Chandrapur City. I oppose the said project. I also urge the local people to sell their land to govt. projects only. People will suffer losses if they sell their land to private projects.</p>	
--	--	--

8) Shri. Nitin Bhatarkar, District President, Nationalist Congress Party, Tal. Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	<p>There is excitement in the villagers during arrival of any new project because of employment opportunities. But it should come to the knowledge of the officials present that there is some valid reason for opposing the project. Chandrapur District is known as an Industrial District. There are lot of large scale projects but still the problem of unemployment is not solved. Outsiders are coming & are providing employment to outsiders only. It has come to the knowledge that company is going to implement the project without obtaining NOCs from Forest Department & Gram Panchayat. The ground water levels are going to get depleted in 802 Ha area. Also river bed of Wardha River will be damaged due to which farmers will get affected who are dependent upon the Wardha River. I oppose the said underground project. Opencast coal mining project shall be proposed & 4 times compensation shall be provided to land losers. 100% guarantee of employment shall be given.</p>	<p>Convenor of the Public Hearing informed that, the point is noted.</p>

9) Adv. Shri. Prashant Gharote, Bhartiya Janta Party, Tal. & Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	I oppose the said project. The issues raised here are correct. The agricultural fields which will be going into the project & the issues raised during land acquisition shall be resolved. It is the duty of Pollution Control Board to solve the environment related issues. The irrigated area will have to face serious problem due to the said underground project. The harvest will also get severely suffered. Opencast coal mining project shall be proposed instead of underground coal mining project. Also the land shall be acquired by WCL instead of private project. Contract of tree plantation shall be given to Forest Department of Maharashtra instead of other state's Forest Department which will provide employment opportunities to local people. People will face difficulties from Mining Department while developing their land after excavation. Therefore, underground project shall be proposed. 5 times compensation shall be given as per the new Land Acquisition, Rehabilitation And Resettlement Act. It is requested to the Pollution Control Board to act as problem solver in this project.	Convenor of the Public Hearing informed that, the point is noted.

10) Shrimati Leelabai Tonge, Visapur, Tal. Ballarpur, Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	I oppose the said project	Convenor of the Public Hearing informed that, the point is noted.

11) Shri. Manohar Gohokar, Former ZP Member, Bhartiya Janta Party,
Tal. Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	<p>Local People were very much excited due to the said project. But it has come to our notice that Project Proponent is going to excavate in 25 acre area only. This has raised the issue of employment of local people. Also it has been told that they will protect the environment. Officers of Company has also informed about water levels. Information regarding facilities which will be provided through CSR funds to the villages is also given. But an Opencast & Underground Project of WCL is already in existence. Therefore, the pollution levels in this area shall also be taken into consideration. The pollution levels of Ballarpur City shall also be taken into consideration. WCL discharges treated mine but the water cannot be used for drinking purpose. The coal will be excavated in 3 years as compared to 33 years of WCL. Villagers & farmers will not get benefitted from the project. Company shall inform whether they will provide employment to 900 people or not. The workers are forced to work for 12 hours on regular basis in Private companies & are paid less. The said project is not profitable for Nandgaon & Visapur area. Due to the above issues, I oppose the said project.</p>	<p>Convenor of the Public Hearing informed that, the point is noted.</p>

- 12) Sau. Manisha Kulmethe, Sarpanch, Gram Panchayat Visapur, Tal. Ballarpur, Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	A letter was received to the Gram Panchayat from M/s. Sunflag Iron & Steel Co. Ltd. On 03/02/2024. A resolution was passed after that. Farmers march came to Gram Panchayat on 29 th which led to cancellation of the said resolution. I oppose the said project	Convenor of the Public Hearing informed that, the point is noted.

- 13) Shri. Sandip Pode, Bhartiya Janta Party, Visapur, Tal. Ballarpur, Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	Company did not take opinion of local people. Company just contacted Gram Panchayat. Nobody knows about the discussion held between Gram Panchayat & the company. It was decided to not take any decision without Gram Sabha & without discussion with farmers. The Project Proponent will not require much manpower as they will be using advanced machines for excavation. Lot of mine water is generated from the said mine. Pollution will also increase due to the said mine. The ground water levels will be depleted which will raise serious water scarcity in the near future. Will the project proponent will stow the sand in the mine pits after excavation is a big question. An accident occurred a few days back in Ghuggus City in which 2 houses collapsed in the mine pits. I & villagers of Visapur village are opposing the proposed coal mine.	Convenor of the Public Hearing informed that, the point is noted.

14) Sau. Manjusha Narendra Tonge, Visapur, Tal. Ballarpur, Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	Sarpanch has told that she worked under the influence of Dy. Sarpanch. But does Dy. Sarpanch possess any agriculture land in Visapur? WCL mine is in operation in my native place. Drinking water problem has arised due to the mine. The same situation will rise here. Therefore, I oppose the project.	Convenor of the Public Hearing informed that, the point is noted.

15) Shri. Narendra Tonge, President, Mahant Giri Agro Farmer Producer Company, Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	The said company is progressing since last one and half years. Survey were carried through different agents. A coal mine is already in existence in Nandgaon. I earn the livelihood through farming. Agricultural crops will be damaged & will decrease the harvest. Due to this I oppose the project.	Convenor of the Public Hearing informed that, the point is noted.

16) Sau. Vidyatai Devalkar, Pradesh Chitnis, Bhartiya Janta Party & GP Member, Visapur, Tal. Ballarpur, Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	I oppose the said project.	Convenor of the Public Hearing informed that, the point is noted.

17) Sau. Bapurao Giradkar, President, Chhatrapati Shivaji Maharaj Kruti Samiti, Visapur, Tal. Ballarpur, Dist. Chandrapur:-

Sr. No.	Objection/Suggestion/ Question	Comments / made by Project Proponent/ MPCB
1	Nobody has shown their support to the project. My question to the Hon'ble Chairman is that why the	Convenor of the Public Hearing informed that, the point is noted.

	Public hearing is being conducted during code of conduct of Lok Sabha General Elections. The said Public Hearing should have conducted after two months period. 802 Ha of land has been allotted to the company. But company has only acquired 4-5 hectares of land and has provided compensation to the concerned. Company has told during the meeting held with District Collector that they will acquire only required land & shall provide compensation for the same. Company does not want to provide compensation of total 802 Ha. Of allotted land. Due to this we are opposing the said project.
