3. Board office Circular vide No. MPCB/RO(HQ)24 dtd 02.01.2019.
4. Minutes of 13th Consent Committee Meeting held on 14.02.2020.

The work distribution among the senior officers in Head Office was made vide above referred letter. The Consent committee noted that in delegation of consent management, some of the Powers are vested with HoD except for the Infrastructure Projects such as township, IT parks, SEZ, Highways, Irrigation Projects, Building and Construction projects. Presently the consent applications of Infrastructure Projects having capital Investment between Rs 25 Cr to 350 Cr are being submitted to Consent Committee for Decision. Considering the voluminous work load of Consent Committee, it was decided by the Consent Committee that the consent applications of Infrastructure Projects having capital Investment between Rs 25 Cr to 150 Cr will be dealt by Joint Director WPC, as per the delegation of Consent Management. In this context, the above referred office order is being partly modified as under.

The following work allotted to Joint Director (WPC).

- 1. Consent Management of Building/infrastructure Projects such as township, IT parks, SEZ, Highways, Irrigation Projects, Building and Construction projects having Capital Investment above 25 Crore up to Rs 150 Crore.**

Joint Director (WPC) shall dispose the application which are already submitted to Consent Committee up to 13th CC meeting or decision taken in earlier Consent Committee. All ROs & SROs of the Board shall submit application related to above subject directly to joint Director (WPC) & follow this circular scrupulously.
