CIRCULAR

Sub: Surprise Inspection module - IMIS

Ref:

1. Circular on Randomized Risk based inspection dated 15/06/2015
2. Corrigendum Circulars dated 30/11/2016 & 01/03/2016
3. CIS Circular dated 11/09/2016

Board has introduced Central Inspection System (CIS) vide GoM's GR dated 29/08/2017 issued by Labour Department, GoM. Currently, Surprise Inspections / Visits to the Industries on the basis of complaints are carried out by the concerned Field Officers, Sub-Regional Officers, Regional Officers and Technical HoDs without entering the necessary details of the Visits in the IMIS System.

Now, therefore, as mandated by DPIIT (GoI), new Surprise Inspection module is introduced, wherein, technical Officer will have to initiate 'Surprise Inspection' in the IMIS system with approval of the Member Secretary. No technical Officer should carry-out Surprise Inspection / Visit to the Industry without taking prior permission of the Member Secretary through IMIS System (i.e. Surprise Inspection module). The concerned technical Officer will upload the Inspection Report on-to IMIS Web-portal within 48 hrs. The detailed guidelines, in this regard are uploaded on Web-portal.

(E Ravendiran, IAS)
Member Secretary

For information:

Hon'ble Chairman, MPCB, Mumbai.

To,

All HoDs / ROs / SROs – MPCB, Mumbai – They should bring this fact into the notice of Industries / Industrial Associations under their jurisdiction and create awareness in this regard at appropriate forum.
