## Circular

**Sub: Proper routing of consent cases at SRO level**

**Ref: Board's circular MPCB/EIC/IMIS/130618ft0182,  
dt. 18/05/2013**

In continuation of the earlier board's circular as referred above, SRO's were directed to forward the consent applications, after processing, directly to the consent granting authority as per the delegation of power. However, it has been noted that some SRO's are still routing the consent applications through RO, which results in delay of granting consent at head quarters.

Therefore, it is clarified and reiterated that henceforth all the SRO's will forward,

- 1) All the consent applications, after processing, under the purview of CAC, directly to CAC desk at HQ with a copy to RO
- 2) All the consent applications, after processing, under the purview of CC, directly to concern HOD at HQ with a copy to RO
- 3) All the consent applications, after processing, under the purview of HOD, directly to concern HOD at HQ with a copy to RO

Similarly RO's are directed to ensure that cases falling under CAC/CC and HOD purview will not be processed/routed through their office. However they are welcome to send any additional comments/remarks in respect of consent application forwarded by SRO to HQ within 15 days to concerned section at HQ.

RO's and SRO's are directed to ensure strict compliance of this circular. Any deviation in this regard will be viewed seriously and will invite disciplinary action.

This should come in force with immediate effect.
