CIRCULAR

Sub: Consent copy to be dispatch^{ed} by RPAD.

Board has initiated many steps to speed up the disposal of consent applications under Ease of doing Business and Make in Maharashtra. However, Board office is in receipt of complaints regarding delay in dispatching/handover the consent and kept pending for many days with the respective section which create the conflict and inconvenience to the industry. It is also observed that many times the industries are called to head office to collect the consent copy. Such practice spoils the image of the Board. Henceforth, following steps shall be followed.

1. Once the consent is signed, it should be uploaded on web-site on same day.
2. To avoid inconvenience to the industry, it was decided to dispatch all the final consent copy to industry by RPAD only and shall not hand over to anyone.
3. The concerned HOD/RO/SRO shall take the review of consent copy issued by post in every month and also up-loading status of all consent copies.
